PLEASE NOTE VERY CAREFULLY

Our show is once again sharing the date and venue with the Cumberland Cat Club and the British Shorthair Cat Club. This means that exhibitors may optionally enter one of the other shows as well as the Yorkshire and thus compete for two certificates on one day.

However, to avoid excessive handling of exhibits, the total maximum number of classes in which a cat may be entered, whether in one show or across both shows, is four. For those cats entered in Titled classes, BOB-only entry into the breed class is automatic unless you advise us to the contrary, and will count as one of the total four classes.

Multi-show events like this one are proving very popular with exhibitors, but there has been a degree of concern about the number of times some cats or kittens were being handled during the course of the shows. We therefore introduced this four class limit, which is regarded as being in the best interests of the cats.

Lynda Ashmore
Show Manager

Dear Exhibitors,

Ahead of our show on 13th November we thought it would be useful to highlight a few points in advance so you are all prepared on the day.

By entering or attending the show, you confirm: -

1. That you agree to comply with all the venues and GCCF Show management specific requirements which may be imposed for the comfort and safety of all. Plus, any Government recommendations which may come into force by show day.
2. That you fully understand that you participate at your own risk and that neither the GCCF, the Show Management team nor the venue accept any liability.

We will open vetting no earlier than 7.45am so please do not come too early. Please expect it to take a little longer than usual as we will also be checking proof of Covid vaccines and negative lateral flow tests.

We will check proof of Covid vaccines and negative lateral flow tests BEFORE you enter the show hall so please expect to wait outside as we may not have too much space for socially distanced queues within the building

If you see a long queue it may be advisable to wait in your car for a little while

Covid Pass and Lateral Flow Tests

Everyone in attendance (exhibitors and guests) will need to provide proof of double vaccination **AND** the result of a negative lateral flow test within 24 hours of the show.

- Proof of vaccination can be via the NHS App or by a confirmation letter which can be obtained by calling 119. Please consider that it will take several days for a document to be issued so do not leave it until the last minute.
- We cannot guarantee that there will be adequate mobile/cellular service to access the NHS App. If you are unable to connect, the responsibility is with you to go to a location where you can access the NHS app and download your Covid Pass. You will need to do this before you vet in your cats and enter the show hall
- Please note, the small cards issued when you receive your vaccination is not acceptable proof.
- Lateral flow tests must be taken within 24 hours prior to the show. The result of the lateral flow test should be reported via: <https://www.gov.uk/reportcovid19-result>. This will generate a confirmation email and text message confirming your negative status. We will ask to see this proof when you check in. Please do not bring your actual test.
- A Covid Pass and negative Lateral Flow Test is required for every person attending. Extra tickets must be paid for with your entry and the name and all contact details of the extra people attending listed in the comments box if entering online or on your entry form if entering on a hard copy entry form. No further entry passes are available without prior arrangement with the show management.

- We may have a few lateral flow tests available on the day, but you need to be able to test yourself (in your car). This will take approximately 30 minutes so will delay your entry to the show hall which could mean your cat misses being judged. Far better to do it before the day.
- If you have any further questions regarding tests, please contact Mrs Fiona McGlashan fifimcg@virginmedia.com

Face Coverings

Everyone in attendance needs to wear a face covering while they are inside the venue, except for the cafe, when you are eating and drinking.

PLEASE DO NOT ATTEND THE SHOW IF YOU HAVE ANY COVID SYMPTOMS OR FEEL UNWELL

Vaccination of Cats and Kittens

The Veterinary Officers would like to remind exhibitors of the GCCF Rule 5/3 regarding vaccination of cats and kittens attending shows.

<https://www.gccfcats.org/Portals/0/pdf/Rules.pdf> For kittens, the second vaccination of the primary course MUST have been given more than 7 days before the show. Kittens receiving their second dose within the 7 days before the show will be rejected under Section A as insufficient time has elapsed for full immunity to develop. The same rule and reason applies to the first booster (3rd dose of primary course) which is usually given at 15 months.

Cats receiving this vaccination within the 7 days before the show will also be rejected under Section A.

For older cats receiving subsequent boosters it is recommended they are not vaccinated in the 7 days before a show but this is not compulsory and they would not be rejected.

If your cat needs a vaccination before the show, we recommend you book an appointment with your vet as soon as possible to avoid having to give a vaccine in the 7 days preceding the show.

Entire males

The use of chemical contraception with veterinary supervision is acceptable in the interests of welfare and is not considered as show preparation. Exhibitors with male cats that have received hormonal injection for contraceptive purposes are advised to have evidence of this with them to show to the Duty Vet should any testicular abnormality be queried. (Amended 21.10.2015)

FINALLY

We plan to hold a raffle on the day, so any donations of items will be much appreciated. Look forward to seeing you on the day!!

Stay safe until then

Lynda and the show team

HON DUTY VETERINARY SURGEON:

Elizabeth Avil MRCVS will be in attendance throughout the day

SHOW RULES AND REGULATIONS

The show is held under Licence and Rules of the Governing Council of the Cat Fancy and is open to all. As a copy of the Rules is NOT included with this Schedule, all exhibitors are reminded that they should read Section 4 of the Show Rules, as they will be strictly applied. Ignorance will not be accepted as an excuse for a breach of the Rules. (Copies of the Rules may be obtained from the GCCF Offices, 5 Kings Castle Business Park, The Drove, Bridgwater, Somerset TA6 4AG – website: www.gccfcats.org).

REGISTRATION

No Cat or Kitten, Entire or Neutered, with one or both parents, grandparent/s or great-grandparent/s unregistered shall be eligible for entry into pedigree breed Classes. All Cats, Kittens and Neuters are eligible for the Show if registered with the GCCF, except those on the reference register. All registered exhibits which have changed hands, must have been transferred to their new owner at least 10 days before the Show. All registrations and/or transfers must have reached the GCCF Office at least 10 days before the Show. If the registration number has not been received when completing the entry form, write N.A.F. (Number Applied For) in the appropriate column and forward the number as soon as possible to the Show Manager. Your first choice of name should be entered in the appropriate column.

SHOW ENTRY

The Exhibitor must complete the entry form using the information stated on the registration/transfer certificate. Exhibitors are responsible for the correct description of the exhibits and for entering them in the correct classes. Please do not omit to read and sign the declaration - if joint owners, both must sign the form.

Any cheques which are not honoured will be subject to an increase of £10 to cover the cost of any bank charges and administration. The exhibitor will be expected to pay not only the cost of entry, but also this extra £10, by Postal Order to the Show Manager.

ALL BREED AND COLOUR CLASSES WILL BE SPLIT IF BOTH SEXES ARE ENTERED.

VETERINARY

Exhibits will be received at the Show hall from 7.45am until 9.45am on Show Day. Each exhibit will be examined by the club's Hon. Veterinary Surgeons and no exhibit may be penned before being examined. Vetting in slips will be given out on the day of the show. All exhibits must be inoculated against Feline Infectious Enteritis FVR & FCV (Cat Flu) the full course in accordance with manufacturers recommendations must have been completed 7 days before the show. The Certificate must have been issued by a Veterinary Practice / Hospital and the last vaccination entry signed by a Veterinary Surgeon or by a listed Veterinary Nurse under the direction of a Veterinary Surgeon. This should be properly completed and clearly indicate the identity of the exhibit and the owner, confusion may result in rejection. Cats with an invalid vaccination certificate will be rejected under Section A. Cats unaccompanied by a vaccination certificate will also be rejected under Section A, unless the exhibitor undertakes to provide proof of vaccination, valid for that show, by sending the certificate to the GCCF Office within seven days of the show. Failure to do so will lead to disqualification from the show and the cat's name will be placed on the veterinary rejection list until proof of vaccination is received by the Office.

ALL CURRENT CERTIFICATES MUST BE AVAILABLE FOR VETERINARY INSPECTION IF REQUIRED. THE GCCF RECOMMEND THAT ALL CATS AND KITTENS OWNED BY EXHIBITORS BE REGULARLY TESTED FOR FELV. CATS SHOWING A POSITIVE REACTION TO THE FELINE LEUKAEMIA VIRUS BLOOD TEST OR THE FELINE IMMUNODEFICIENCY VIRUS BLOOD TEST MUST NOT BE SHOWN. PLEASE NOTE: Homeopathic vaccination is not acceptable for the purpose of showing.

Exhibits must have clean ears and coats free from pests. Any exhibit rejected by the Veterinary Surgeon must be removed by its owner and the Entry Fees are forfeit. If in the Veterinary Surgeon's opinion, it is desirable, all other exhibits from the same household and owner shall be debarred from attending the show. The Veterinary Surgeon's decision is final.

PENNING OF EXHIBITS

A limited number of double (4ft) pens are available, an additional fee is required. Every exhibit must be provided with a white sanitary tray and clean, plain white or near-white blanket or blankets without distinctive marking or edging, which may be arranged in such a manner as to assist the comfort of the cat. Cellular blankets are not allowed but white Vet-bed or like material with white or green backing may be used if preferred. A hot water bottle OR HEAT REFLECTING MATERIAL or COOL PACK may be used, provided they are covered by the blanket, in accordance with GCCF Rules. Any other form of heating will lead to disqualification. All exhibits must have water, but food containers must be removed when judging commences at 10am and may not be returned until 1:30pm. Judges are instructed to pass any pen that is distinguished in any way. Other than official notices or award cards, no written or printed matter may be placed on competitive pens. Exhibition pens only may be decorated and may carry printed matter relating to the exhibit. Exhibits actually received into the Show Hall cannot be removed without the sanction of the Show Manager. They are only received on the condition that the club shall not be held responsible for any loss or damage to exhibits, boxes or baskets or in any other way. The show closes at 5pm. No cat may be removed from its pen before this time.

COUNTERSIGNING OF CERTIFICATES

In the event of a change of judge of an Open Class occurring after the closing date of the Show, and provided that the exhibitor informs the Show Manager prior to judging that a Certificate has previously been awarded by the replacement judge, the Show Manager shall appoint one other judge who shall judge the cat and if the cat is considered worthy, countersign the certificate which shall then count towards championship status. If the replacement judge at the first show has also been previously booked for a subsequent show, the closing date of which is before the date of the first show and where the actual entry has been made and received before the date of the first show, then at the subsequent show this judge can be considered as a replacement judge for the purpose of requesting a countersignature. When a cat which has been awarded a certificate at the Supreme Show is entered under the same judge, for the equivalent certificate, during the following three months, then at one subsequent show this judge can be regarded as a replacement for the purpose of requesting a countersignature.

Any Cat or Kitten disqualified by a Veterinary Surgeon or Judge on grounds of condition must be reported by the Show Manager to the Honorary Secretary of the GCCF.

Any cat biting or inflicting injury by deliberately scratching a Judge, Veterinary Surgeon, Steward or other Show Official must be reported to the Show Manager. The Show Manager must withdraw the cat from the show and shall inform the owner of the cat in writing, sending a copy to the GCCF Office. If the cat was defending itself in exceptional and frightening circumstances, that information should be given to the GCCF Office for consideration by the Executive Committee. If the cat is reported at any subsequent show, it shall be disqualified from all future shows unless the Executive Committee rule otherwise.

THERE WILL BE NO EARLY PASSES

Judging will commence at 10.00am. No-one may remove any exhibit from its pen except the owner or a Club Official; penalty for contravention of this Rule is £10.

Judges are empowered to withhold any prizes or championship in any class if the exhibits do not, in their opinion, possess sufficient merit. Prizes will be awarded from the judge's slip, not from any catalogue or prize card.

The Committee reserve to themselves the right to:

- (1) Appoint other Judges should those advertised be unable to fulfil their engagement and to appoint further Judges if deemed necessary.
- (2) Fix and limit the number of exhibits at the show and refuse entry without giving a reason.
- (3) Cancel, amalgamate or divide classes.
- (4) Publish a catalogue of the show containing information as to the exhibits and the names of the exhibitors.

The wins as a Kitten do not count when the exhibit is shown as an Adult or Neuter; the wins as an Adult do not count when the exhibit is neutered and shown. Merit Awards do not count as 'wins' for entering restricted classes.

GENERAL GUIDELINES FOR ENTERING SHOWS

Where possible, always complete your show entry form from your GCCF registration document (ie Registration or Transfer Certificate) for the cat that is to be exhibited, PRINTING the details carefully to avoid any misinterpretation of your handwriting. If the document you have is headed 'Application For The Transfer Of Ownership Of Registered Cats' this means the cat is not registered in your name and you must complete the form and send it to the GCCF with the transfer fee as soon as possible. It must be received by the GCCF no later than 10 DAYS before the show. If you have not received your registration document at the time of entry, complete the show entry form with the details from the pedigree, giving the first choice of name if it is a non - prefix registration, and put RAF (Registration Applied For) or TAF (Transfer Applied For), or both, in the Regd. No. box. It is wise to enclose a stamped self -addressed acknowledgment postcard with all registration and transfer applications, particularly for cats entered for shows, so that you know that the application has been received by the GCCF. Try to keep a copy of your entry form - then, when you receive registration details and number, check these against the entry form and notify the Show Manager in writing of any differences in the details as well as giving the registration number, if applicable. This may not be in time for the printing of the Show Catalogue, but the Show Manager should attach your letter to your entry form which will save unnecessary notification of discrepancies when that show is checked. All

Catalogue errors are checked against the original entry form and any exhibitors' letters are used for reference. Show managements are permitted to accept corrections, at their own discretion, up to the close of the show (on show day); such a change must not be a change of exhibit. If you are entering several cats from your household and the registered owners (exhibitors) differ within that household/family, check with the Show Manager whether using one entry form is acceptable or not and, if it is, indicate VERY CLEARLY which exhibitor owns which cat, ensuring all owners sign the entry form. It may be less confusing and more acceptable to the Show Manager for each owner to use separate entry forms, but joint owners of an exhibit/exhibits should always use the same form and both must sign.

STATUS OF ERRORS - WHAT TO EXPECT

MINOR ERRORS.

These warrant a notification for your reference if the error occurs more than once and it is apparent that registration details were available at the time of entry or before the date of the show. Continuous repetition of the same error after notification will be referred to the Executive Committee. Examples of minor errors include:

- (a) spelling errors
- (b) separation of cat's names that should be one word, and vice versa
- (c) administrative/breeder's prefix omitted from, or partially incorrect name given for, exhibit
- (d) overseas title preceding the name of an exhibit, sire or dam, etc
- (e) full breed number known but not given
- (f) Sire and Dam reversed or named incorrectly
- (g) breeder joint when single and vice versa

INCORRECT DATE OF BIRTH : This is usually classed as a minor error unless it affects an entry into classes based on age groups when it could warrant disqualification of the exhibit from such classes; but if the incorrect date of birth affects the age suitability as a whole, then the exhibit will be disqualified from the Show.

NB AGE LIMITS : Kittens - not less than 14 weeks and under 9 calendar months on date of show. Adults - not less than 9 calendar months on date of show

INCORRECT NAME OF EXHIBIT/OWNER/BREEDER : If registration/transfer details were obviously available at the time of entry or before the date of the Show, disqualification is inevitable. The following discrepancies are those which usually arise::

EXHIBIT : Totally incorrect name

REGISTERED OWNER : Joint when they should be single and vice versa

EXHIBITOR DECLARATION : not signed by registered owner(s) NB The exhibitor(s) must be the registered owner(s) of the cat and not necessarily the person who actually takes the cat to the show.

BREEDER : Totally incorrect name or names NB The breeder of a cat is always the registered owner of the dam on the date of the cat's birth.

REGISTRATION/TRANSFER NOT RECEIVED BY GCCF 10 DAYS BEFORE THE DATE OF THE SHOW : These entries will be disqualified. Remember the effective date of all registrations and transfers is the first date of valid receipt by the GCCF, and if you enclose your own stamped addressed acknowledgement card with your application form, this will be stamped with the GCCF Office date of receipt.

TRANSFER OF EXHIBIT FROM EXHIBITOR TO A NEW OWNER RECEIVED BY THE GCCF MORE THAN 10 DAYS BEFORE THE DATE OF THE SHOW : Entries such as these will also be disqualified as the exhibitors entry form becomes invalid.

INCORRECT OR INELIGIBILITY OF CLASS ENTRY : These will be disqualified from the class concerned - so always check with the Show Manager if in doubt about which class to enter. If a breed number is changed officially, it is important that you notify the Show Manager immediately. Exhibits entered in the Grand Class must have qualified on or before the published closing date of the show

CAT REGISTERED ON THE REFERENCE REGISTER : No cat registered on this Register is eligible to be shown and therefore these entries will be disqualified. The only exception to this is when a new breed becomes recognised; and then, cats of the breed may be shown even if they are registered on the Reference Register as long as this was the only reason for the Reference registration. Exhibitors may appeal against any disqualification resulting from show checking, giving their reasons. The appeal will be referred to the Executive committee if considered valid and, if not, a letter of explanation will be sent to the exhibitor(s). The above advice, however, is aimed to keep your show entries trouble-free, not to mention the show checking.

VETERINARY CLEARANCE CERTIFICATES

Exhibitors whose cats have been rejected at shows please note the following points:-

- (5) When sending your clearance certificates to the Veterinary Officer, please include your copy of the rejection slip.
- (6) Please DO NOT send these certificates by recorded delivery post as this can cause considerable delay in the receipt of your certificates. If you wish to satisfy yourself that your letter has reached the Veterinary Officer please enclose a stamped addressed postcard acknowledging receipt, for signature and this will be returned to you.

Exhibitors should not attend shows until they have received a letter accepting and confirming clearance. It is recommended that this letter be taken to shows within one month of issue of the clearance letter.

VETERINARY LETTERS

In the past, cats showing signs of skin lesions might have been allowed entry to a show on production of a letter from their Veterinary Surgeon, stating the origin of the lesion. This was subject to the agreement of the Duty Vet. This is no longer applicable; such letters are no longer accepted at shows and any exhibitor presenting a cat with any skin lesions indicative of ringworm is likely to be rejected at vetting in. The GCCF Chief Veterinary Officer recommends exhibitors not to take a cat to a show if it has any skin lesions indicative of ringworm, however small.

GENERAL NOTES FOR THE ATTENTION OF ALL

An announcement on our web site or that of the GCCF of any additions or alterations made to this schedule or in these regulations shall be deemed sufficient notice.

All correspondence must be accompanied by a SAE if a reply is required. Any complaint related to the show must be forwarded to the Show Manager within seven days of the show.

Photographs or videos may only be taken after permission has been obtained from the Show Manager AND the exhibit's owner.

Neutered kittens must enter their relevant kitten breed class, and kitten miscellaneous and club classes.

The Committee reserve to themselves the exclusive right to :

- i) appoint other judges should those advertised be unable to fulfil their engagement, and to appoint further judges should they be required.
- j) fix and limit the number of exhibits at the show.
- k) to accept or refuse exhibit entry without giving a reason.
- l) refuse admission to the hall without giving a reason.
- m) cancel, amalgamate or divide classes.
- n) publish a catalogue of the show containing information as to the exhibits and names
 - i) addresses of exhibitors.
- o) retain a percentage of entry fees to cover essential expenses in the event of the show being cancelled for any reason.

SHOW WITHDRAWALS AND ALTERATIONS

The last date for withdrawal of a cat from a show is the advertised closing date for entries. After this date the cat(s) concerned may not be withdrawn from the catalogue of the show and the 13 day rule about entering 2 shows within 13 days will apply. There will be no refund of entry fees if the cat is not present at the show. This ruling does not prevent Show Managers from returning entries after the closing date of the show if they are unable to accept them into the show because the show is full. All withdrawals must be made in writing.

Any alteration or addition to entry forms must be made in writing to the Show Manager. No telephone alterations or deletions will be accepted. Corrections to your entry form can be made on show day.

SHOW BUDDY FOR FIRST TIME EXHIBITORS

If you are a first time exhibitor and would like assistance with your entry form please contact your Section Manager who will assist you with this.

If you require assistance on Show Day to help you with any aspects of showing such as how to set up your pen, where to find the results, what to do if you have a problem etc. please tick the box on the entry form and the YCCC will arrange for a Show Buddy to meet you on Show Day to offer help.
