I understand that I am only eligible to judge Open, Grand, Imperial Grand, Olympian or Assessment classes which include only the breeds, colours and patterns for which I have been a full judge for three years and which are recognised by the organisation for which I am currently a full judge, together with miscellaneous classes for which these breeds are eligible.

I understand that the cats are to be judged under GCCF Rules to the GCCF Standard of Points including the Standard List of Withholding Faults for All Breeds. I further understand that I am expected to supply a show report on all exhibits present in the open classes within 28 days of the show for publication by the GCCF. Reports must be sent to judgereports@gmail.com or posted to Mrs M Owen, The Old Manse, 96a Kingsway, Wellingborough, Northants, NN8 2PD, United Kingdom.

Date

Please complete the form overleaf with your date of appointment to each breed group of which you are a full judge, and the organisation(s) with which you currently hold this office. If the organisation for which you judge splits these breed groups further, please indicate which individual breeds you are eligible to judge.

If you have already supplied this information for a previous GCCF judging engagement, you only need to include any additional breeds you are eligible to judge since that previous engagement.

PLEASE NOTE: Non-GCCF Judges who are temporary residents in the UK may only judge at GCCF Shows for a period of six months from the date of their first show.
