

**Carol Burton**

The Oriental Cat Association understand that this lovely lady, well known for many years in the cat world as a breeder of some lovely Oriental Cats, has recently passed away. We are sad to hear this news and give our condolences to Carol's friends and family. Carol has been a member of the OCA for many years, was known especially for her lovely black Orientals and was regularly seen at shows, with her own cats, as well as being a regular steward in Section 6. She was a warm and friendly person, who supported our breeds and was always the first to congratulate fellow exhibitors. A really lovely lady, who will be sadly missed.
