

## **Mick Coomer**

It was with great sadness that I learned of the untimely death of Mick Coomer, a friend of over forty years, who died after a brief illness. Mick will be remembered by many for his role as Hall Manager for many years for the Shropshire and Coventry and Leicester Cat Club shows where his commitment to the stallholders, for whom the shows were a source of income was admirable. Mick had a great knowledge of committee procedures as a BAC delegate and was a scourge to many who misinterpreted rules and regulations. His yellow Ferrari was an object of interest at many shows that brought a smile to many lips and was indicative of his big personality and presence.

He was a warm and kind man, always ready to help who did not hesitate to step into any breach if needed who will be sadly missed by his many friends, not least myself. My condolences to Jill and family.
