

## **Mrs Lynne Dixon**

There will be a Celebration of Lynne's Life at Preston Crem at 2.15pm on Tuesday 8th January 2019.

This will be followed by a gathering at The Plough Grimsargh.

Lynne's wishes were that no black was to be worn & NO flowers unless wild ones

## **Jeff Lenahan & Janet Barrett**

---

It is with great sadness that we learned of Lynne's sudden passing following heart surgery on Monday 10th December. We've known Lynne for over forty years our joint love of Burmese, fuelling our friendship. Lynne bred both Burmese & British shorthairs with her Katolyn prefix, she also judged Burmese for many years until her mobility became impaired. She was a founding member of the Burmese Cat Society or Burmese Breeders Society as it was originally known & she served on the committee for a number of years. She was a straight talking honest Lancashire lass who called a spade a spade & had a wicked sense of humour. Lynne trained as a nurse & became a sister, she was really proud when her daughter Carolyn followed her into nursing. She was a dear friend & we still spoke often on the phone but definitely not during Wimbledon fortnight which she avidly watched & was a devotee of Roger Federer, she was also a staunch Manchester United fan.

We were looking forward to meeting again at her 80th birthday party which was planned for January & which she wished to go ahead even if she didn't make it

Our heartfelt sympathies to Carolyn, David, Anthony & her grandchildren
