

## **Norma Farnsworth**

I was informed a little earlier today Norma Farnsworth had died, Norma had been in a care home for some time.

As well as being a Judge of Siamese, Norma had also served on various committees, she served for some time as an SCJAC representative and was Chairperson for the Siamese Cat Society of the British Empire a position she held until her recent death.

Norma was a staunch advocate of her breed, though her heart remained fully in the camp of Seal Points her prefix was Saturn and she bred a number of what were to become famous cats in their day all of which I believe were Seal Points.

Norma had been unwell for a long time but her passing still came as a great shock, to her remaining family my condolences.

Sadly I have no further news at this juncture, if I receive more I will forward. RIP Norma another sad loss of our fancy

On behalf of the board and myself, our sincere condolences to her surviving family.
