

## **Jo Higgins**

The Egyptian Mau Club are saddened at the death of Jo Higgins, a long term member, former Chair and membership secretary of our club. Jo has owned and bred Egyptian Maus for many years and was the proud owner of Sobekoteo Mwsher (Muse) who won the first Challenge Certificate when the breed achieved full status. Jo was a real stalwart of our breed and its welfare and she will be sadly missed for her strength of character and wicked sense of humour by all who knew her
