

Robin Kempe

The committee of the Kentish Cat Society were so very sad and sorry to learn of the death of Robin Kempe. He was a man of great ability and many talents, who with his wife Carolyn bred Burmese cats under the Oakenshield prefix. He also restored antique furniture with great skill, sympathy and a sense of history. Robin was a tremendous character always ready with a cheerful greeting a smile and a joke - he will be sorely missed. Our deepest sympathies go to his wife Carolyn and his family.

The Committee of The Longhaired, Semi Longhaired & All Breed Cat Club were shocked and saddened to hear of Robin's sudden passing.

Robin was a Life Member of the club and served on the Committee for a number of years. Needless to say, he was always more than willing to offer a helping hand at our shows. In fact, I can hardly remember attending a show in the South East where Robin wasn't there helping out with his usual enthusiasm.

He will be greatly missed and we send our sincere condolences to Carolyn and his family".
