

Dave Kinchin

It was sad to hear that Dave Kinchin of Anwesol prefix, passed away on 5th March 2020. He had reached 80 years of age last November.

Dave had been suffering with lung problems for a few years but it didn't stop him keeping busy. But with time his lung capacity became limited and his health deteriorated.

Dave was known to many in The Tabby Cat Club and had been a longstanding committee member. He had previously been on the Wyvern Cat Committee and working hard to support both the clubs.

His love was Tabbies and he bred some fabulous British Shorthairs including Ch Anwesol Blue Chip, a well known stud in his time and Gr Ch Anwesol Autopurr and Ch Anwesol Natanya. Both the two girls had achieved best British Kitten at The Supreme. Many British tabby breeders can find Anwesol cats in their pedigrees.

Many people will remember Dave as a man with a kind heart, willing to help so many breeders and friends. He didn't expect anything in return and was always sharing his handy DIY skills! He loved his feline friends that gave him companionship.

His service will be held on April 2nd at the Redditch Crematorium at 11am but only a few people were invited to attend as with recent government guidelines.

Many of us will think of him at this time.

The family have asked that any donations to be given to The Tabby Cat Club and details of how to do this will be announced shortly.
