

David Shingleton BVetMed MRCVS

I was notified earlier today about the death of David Shingleton, the husband of GCCF Vice President and former GCCF Chair, Betty. David died yesterday, and I will update if I have any further information. David had quite a short illness prior to his untimely death, he was an accomplished vet and a very familiar face at shows, particularly the Nor'East of Scotland where he annually attended with Betty being great friends with Gillian & Bruce Bennett, David was genuinely one of the nice guys in the Cat Fancy and will be sorely missed by all who knew him. His death was not Covid related. RIP David it was a genuine pleasure to have known you. I know the GCCF Board will join with me in offering condolences to Betty, their sons and their respective families at this very sad time. My sincere apologies for the briefness of this tribute due to problems with my Mac.

10th January 2021

The Cameo & Cheshire club's send our condolences to Mrs Shingleton & Family on hearing of the death of husband David.

He helped out at the shows and will be sadly missed.

Thinking of you all

Pat Parrish
Chair of both Clubs
