

## **Kay Short**

The funeral will take place on Wednesday 1<sup>st</sup> August 2018 at 2.45pm at Colwyn Bay Crematorium

Family request no flowers and donations to the British heart foundation.

As Kay's favourite colour was purple and she wouldn't have wanted everyone in black if you could wear a little bit of purple even if it's just a ribbon to remember her by.

It is with the greatest of sadness that I have to announce the untimely death of our much loved friend, Vice President, and show manager Kay Short.

I first met Kay (Tilsie Colourpoint Persians) over 20 years ago when we were both at a show exhibiting our Colourpoint babies, and that was the start of a wonderful friendship that we have shared ever since.

Kay was always passionate about the Colourpoint breed, and before long she was a working committee member of the club.

Kay's knowledge of the breed and cats in general was immense, she seemed to have a real thirst for learning as much as she could about genetics and everyone who needed help or advice would always go to Kay.

Those of you who have exhibited at our lovely club show will know that Kay's heart and soul went into making it a wonderful experience for everyone. It has always been a happy and enjoyable day.

Only days after a show was over Kay would ring me to say, shall we do this for the next show, planning and getting excited about it all over again.

Despite all of Kays health problems she still had a passion to do what she could for the breed and the club.

I know she will be greatly missed not only by myself and Ian, but by the many friends she has made over the years, and of course her two boys Simon and Kyle, and Sister Lynn, who we send our deepest condolences to.

Rest in peace sweetheart, I will always remember our times together.

I will announce Kay's funeral arrangements when I receive them.

I was shocked & saddened to hear of the untimely death of Kay Short,

Though I didn't know her well, I always found her supportive & helpful.

Despite her own health issues she was ever cheerful & never once failed to greet me warmly at any show where we were both in attendance.

Kay was one of those people who always had a glass half full approach to life & was always positive, she will I am sure be greatly missed by anyone who knew her.

RIP Kay
