

Mollie Southall

Mollie's funeral will take place on Monday 2nd July at 1.30 and will be held at Oakley Wood Crematorium, Bishop's Tachbrook, Leamington Spa CV33 9QP.

Family flowers only....donations to Royal Leamington Hospital or if preferred The Snowshoe Cat Society.

It is with very great sadness that I was informed our President Mollie Southall (Coldenufforsnow Snowshoes) slipped away today.

Mollie was devoted to her breed and many Snowshoes throughout the world will have her breeding in their pedigrees. The Snowshoe community owe her a great debt of gratitude for what she left behind. She will always be remembered with great fondness by us all.

Lynda Ashmore
Snowshoe Cat Society
29th April 2018

I am saddened to hear of Mollie's passing. I first met her in the early 1980's when she was showing and breeding Abyssinians under the Abylynn prefix. Much later she reappeared in the world of GCCF as the tireless champion of the Snowshoe. All her hard work with the breed saw it to championship status. She was most encouraging to me as a judge and her advice with the breed was invaluable. Her drive and passion will be missed by all in the breed.

Steve Parkin
Chair Snowshoe BAC

The Russian Blue Breeders Association were sad to learn of Mollie's death. She was a member for several years during the time of the progression of the Snowshoe through the GCCF. Her lovely Snowshoes graced our shows for over this period and we were very happy to have Mollie and her cats in our Assessment Classes. Our condolences to her family and friends.
