It is with great sadness that I have to announce the passing of John Walker. He slipped peacefully away at 9pm on Thursday 19th July after a long illness.

John held the Moonwalkers prefix, with his wife Selina for many years and bred some wonderful Exotic shorthairs. He was also so proud when he became a full judge of his beautiful breed.

John had been a member of the Society since 1992 and for much of that time a committee member working hard for the Society, our show and the Exotic breed.

Details of the funeral to be announced in due course.

The Officers, Committee and members of the Exotic Cat Society send their condolences to Selina, his family and friends. Our thoughts are with them at this difficult time.

Rest in Peace John, now you are free from pain.

Barbara McEwen
Hon Secretary
Exotic Cat Society

The Exotic Cat Club was very sad to hear of the passing of John Walker. John was such a character and we will remember him fondly for his enthusiasm, humour and joie de vivre at shows! He was a staunch supporter of our breed along with Selina and always willing to lend a hand at shows. The club offer its sincere condolences to Selina and will remember John with fondness and a smile.

Rest peacefully John and thank you for love and support for our breed.

I received news today that John Walker MOONWALKERS prefix, died on Thursday, though I knew John I confess not well enough to know much background other than he was always cheery & outgoing,

I knew he had been unwell, & had gone onto the Emeritus list & I am aware that many of you will not know him personally, my thanks to Barbara McEwen for supplying the background,

John came into the Cat Fancy in the early 90's when Exotics were on merits then IC"s. He showed Moonwalkers Flighty Flynn a cream. He joined the Exotic Cat Society with wife Selina in 1992 and helped the breed go forward to Championship status. He was always a supporter of both the Society and the breed. John became a full judge of Exotics and was a PJ on the Persian list. He had not been well for some time so was taking a 'backseat.

John was always the life and soul of the party many who knew him will be able to verify this.

RIP John

John Hansson

I was very sorry to learn of the recent passing of John Walker. He and his wife, Selina, had bred Exotics under their Moonwalkers prefix for many years, and John had become a Judge of Exotics, and also a PJ of Persians, but stepped down from judging when he felt his health prevented him attending so many shows; this was a great pity as he had a good eye.

John and I always enjoyed a bit of banter at the shows, and he was an amusing and happy individual, even though he and Selina had faced sadness in recent times with the loss of their son. I send my condolences to Selina and their family, he will be missed by all those who knew him.
