

## WHAT IF I AM ALREADY ON THE SCHEME?

If you are on the “old” scheme then there are several options open to you:

1 If you are on the final part of the old scheme where you are working with a designated BAC and submitting forms to them ..... the best advice is to continue to complete that scheme as we do not wish candidates to be disadvantaged in any way. But, do join the Guild of GCCF Judges and Stewards for just £5 per year. The Guild is there to support and advise all judges and stewards and will also be your voice in Council.

2 If you are working through the first part of the old scheme and have been collecting stewarding notification forms and table work certificates, then it is your choice to decide whether you wish to continue with the old system or whether you would like to join the Guild (for £5) and continue with the new stewarding scheme. You can contact the Guild Secretary at [judgesguild@yahoo.co.uk](mailto:judgesguild@yahoo.co.uk).

3 If you have just joined the old scheme, it would be a distinct advantage to join the Guild as above and continue with the New Stewarding Scheme using the forms etc. on the GCCF website at <http://www.gccfcats.org/judging.html>.
