

Expressions of Interest

The Board of Directors appoints suitably qualified and experienced individuals to standing committees and working groups to provide expert guidance and knowledge. The purpose is to support the Board and enable the successful delivery of the GCCF business objectives.

Expressions of interest are currently sought for the 2019/20 committees for the following:

- **Genetics Committee**
- **Human Resources & Staff Development Committee**
- **Judge Training Group** – to develop a new programme for training GCCF judges
- **Willing to help in any capacity with preparing for & putting on the World Cat Congress in 2021 in celebration of 150 year since the first cat show**

If you have knowledge and experience in the available areas, please consider submitting an expression of interest by completing the below form and returning it to info@gccfcats.org by **12 noon Friday 18 October 2019**.

Please note: membership involves occasional meeting attendance (midweek and in central London, unless arranged otherwise by the committee chairman) in addition to regular correspondence by e-mail. Travel costs are paid by GCCF in line with the GCCF expenses policy.

At the Board meeting on 6 November 2019 all expressions of interest will be reviewed by the Board, and members will be selected based on the relevant expertise they offer. **For further details of GC and HR please see the remit for each committee.**
