

COTY updated Interim results 23rd June 2019. Updated on information received,

Please let me have any spelling corrections to names and also advise your exhibits title as of 31st May 2019. Titles obtained after this MUST not be included as they are not legitimate for the show season 2018 -19.

See the attached updated results these as previously stated are still subject to possible change or amendment until the 7th July as I have stated previously if you are the owner I am perfectly happy to discuss your exhibit with you, if you are not then contact the owner. This has nothing whatsoever to do with the GCCF office so please do not contact them as they will be unable to assist,

Amendments/corrections will be taken till Sunday 7th July ONCE DETAILS ARE POSTED IN JULY NO FURTHER AMENDMENTS WILL BE ALLOWED.

Information re scoring has already been posted on a number of occasions. I have received a request from an exhibitor to modify the scoring for double shows, not to be awarded an additional point for Overall. As not all double shows do this it appears a reasonable request, so let me have comments, this will not affect the scoring for this season 19 -20. As it has already begun.

*The awards dinner this years will be held at
the Quality Hotel Coventry*

Address: Birmingham Rd, Allesley, Coventry CV5 9BA.

The hotel is animal friendly but there is a surcharge, payable direct to the hotel. The cost for 3 course Dinner including a glass of wine is £30 per head. This will take place on Friday 25th October on the Friday prior to the GCCF Supreme Cat Show. To be held at the NEC Birmingham.

I have some rooms available the cost inclusive of breakfast and dinner is £75 single, double or twin, £100. Please let me know direct if you are interested, for those interested please e-mail me direct for a copy of the menu,

My e-mail address is hansson808@btinternet.com these will be invoiced immediately after the event.

If you don't contact I will have no reason to amend.

THESE ARE THE SCORES I have been able to ascertain and are subject to change. Some titles have been included if I have been notified. Any +points are wins carried over from other categories e.g. Adult to Neuter or Kitten to Cat/Neuter. These points will only count in the Overall Totals, unless the exhibit is a leader in its own right for more than one category.

If you believe there is anything ambiguous in the information, provided please ask for clarification, but please before asking a question, check to see if the information required is not already available on the GCCF website or this notification.

COTY updated Interim results 23rd June 2019. Updated on information received,

Please be advised if exhibit/s is/are awarded Best in Show at a Breed show with more than one breed in a section Best of Variety winner, NO Points will be awarded. e.g. Persian Specialist show with a Best of Variety Persian and Best of Variety Exotic, or Siamese Specialist Show with a Best of Variety Siamese and also Best of Variety Oriental as the sections will have been reduced and will be unfair on other exhibits at Breed Shows where this is not the case.

For Show results it is important that if exhibits are in the same section, there can only be ONE Section winner per category e.g. Cat/Kitten and Neuter. Not multiple winners, in the same section. Unless the winner between all the breeds in the same section are identified. then points cannot be awarded.

Section 1

Leaders will be discussed with the owner ONLY.

PLEASE e-mail me with any spelling corrections, I will add official titles up to the 31st May 2019 on the final posting after the results are confirmed, later in July.

Many congratulations to all winners

COTY updated Interim results 23rd June 2019. Updated on information received,

Interesting that the Potential Overall Adult/kitten and Neuter winners are all section 6.

Also that the Overall winner has accumulated his total from 2 categories, as did one of the Joint Overall section 6 leaders and there is actually only one point between them. There are a number of winners who have featured more than once.

There has also been a shift with some of the Pet section dues to some points being omitted and also some transposed. My apologies for the errors, but in my defence it is a large spreadsheet. It is also why the confirmed scores do not go on till there has been sufficient time for anyone to check their scores for errors.

This information will also be sent to be posted on the GCCF website later today

John H Hansson
