

Jean Turner

I have just received news that Jean Turner passed away on 17th January who along with husband Trevor I have known for over 30years. Both always willing to offer help and support to anyone.

Jean and Trevor attended many shows providing Vetting In services and also organised Vetting in at Crufts over the 4day show.

Jean loved Main Coons and her beloved Basset Griffon Vendeens namely Ulla, Tilly and Fene. I enjoyed many walks with them along the Canal in Northolt.

My sincere condolences to Trevor, Sally, Rob, Jeff and Grandchildren at this very sad time.
RIP Jean.

Jeff Lenehan

Very sad news I am afraid

Jean, the wife of Trevor Turner MRCVS, has recently died suddenly and unexpectedly. Both Jean and her husband have been well known in the cat fancy for at least 50 years, not only for their veterinary work, but also as breeders and exhibitors. They first bred British Shorthaired silver tabbies and the last breed they showed were Main Coons.

However, throughout their lives, how they have managed to do all they did together was amazing. In addition to the above, Jean was a highly qualified veterinary nurse, She was also a wonderful wife, mother, carer and friend.

Throughout her life Jean supported Trevor in developing their veterinary hospital as well as in all their other activities which were many. Not only did she help Trevor with the veterinary work at GCCF shows, but he was also chief veterinary officer at Crufts for 25 years and she supported him there too.

It was so good also that in later years Jean was allowed to be part of the vetting-in team at GCCF shows in her own right.

May she rest in peace. She will be greatly missed.

We will remember her,

HEATHER BRIGGS BVMS MRCVS

I also was very sad and shocked to hear of Jean's sudden death. In recent years she was a regular member of the vetting-in team with Trevor at the Supreme and also at GCCF shows at Wood Green and many others in the South. I have very happy memories of working with Jean and she will be very much missed by all who new her.

Jean's funeral will be held on Wednesday 2nd February, 2022 at 10.45am in the Milton Chapel at the Chilterns Crematorium, Whielden Lane, Amersham, Bucks, HP7 0ND.

On behalf of the GCCF Veterinary Advisory Committee I extend my deepest sympathy and and heartfelt condolences to Trevor, Sally and their family at this sad time.

Dr Susan F Moreland BA Vet MB MRCVS
GCCF Veterinary Officer

I was sad to read the news that Jean had died. Jean was the wife of the Russian Blue Breeders Association's President Trevor Turner, MRCVS. Jean and Trevor used to regularly attend the RBBA Show with Trevor acting as the Duty Vet assisted by Jean who was a qualified veterinary nurse. When the rules were changed, Jean vetted in cats in her own right and her lovely welcoming smile made a great start to the day!

Sincere condolences to Trevor and his family.

Val Anderson
Treasurer, Russian Blue Breeders Association

Very sad news to hear that Jean had passed away recently. As Show Manager for the Russian Blue Breeders Association for many years I would like to pay a small tribute to Jean. Together with her husband Trevor (who is our President) they Vetted In for so many of our shows. Not only that, they always spent the whole day as part of the Russian family.

Obtaining vets for shows has always been a challenge but it was the one booking that I never had to worry about – Jean and Trevor never let us down. Jean was particularly fond of our Stratford-upon-Avon venue and would always nip out after Vetting In to the nearby market and come back with a bulging basket of goodies!

My condolences to Trevor and all their family.
