Chairman Mr Peter Williams

8/3/22

Good afternoon

Following Committee discussion we, OBG, would like to support and endorse the following Council Agenda item (C2343 Show Matters 3) now that the original proposing Club, OCFG, have folded and to avoid the item being delayed.

C2343 SHOW MATTERS

- | | | |
|------------------------------------------------------------|----|---------|
| 1. A report from the Judge Appointment System Review Group | KK | C2332.3 |
| 2. A report from the Show Review Group | LR | C2332.4 |

3. A proposal from the Cinnamon and Fawn Group NEW
Prior to being able to award any breed certificate (CC/PC/GR CH/ GR PR/ IMP GR CH /IMP GR PR or OLYMPIAN AWARD where applicable), the judge concerned must be approved by the appropriate BAC.

Rationale:

Judges currently going through on the Accelerated Scheme are still in theory attempting to become qualified, it is therefore impractical for them to be awarding certificates before being eligible to do so. Exhibitors need to have confidence in the judge's ability, to be qualified to judge their specific breed.

Vote: a poll to approve/disapprove the proposal - majority decision

Our OBG Delegate will be in attendance to speak on same if necessary.

Many thanks

Jackie Reed
