

Francis Sketch

We are very sad to announce the of the death of Francis in February. He together with his beloved wife Sue, bred Burmese and Asians under their Hurtlepuss prefix for many years. They bred many beautiful cats, and were extremely proud of Caroline Clark's Bombay, Gr Ch Hurtlepuss Black Adonis when he won Best Foreign at the Supreme. In later life they had great fun showing the majestic Gr Pr Hurtlepuss Kipling. Francis was a founder member of the Asian Cat Association and served on our committee, and as our Treasurer for many years. He also served on the Asian BAC and represented the ACA at Council for many years. Many will remember him on our show entry table, he always had a welcoming smile and cheeky personality.

He will be sorely missed by his friends in the cat fancy and beyond. Our condolences go to his three children and family.
