

Dorothy Woodhouse

We regret to inform of the passing of Dorothy Woodhouse. She was the Chair of the Balinese and Siamese Cat Club for many years and enjoyed breeding and showing her Balinese and Siamese for many years, together with her late husband Alan.

We were so very sad to hear Dot had passed away. Jules, her daughter called us the morning after she passed.

We met Dot over 40 years ago in the vetting in queue at a specialist breed show.

It was her first show and we heard her say "Well, what do we do now?". We started talking and that was the start of our long friendship.

Dot was like Marmite, you either liked her or you didn't, but she could be very kind as well.

She was frank and said it as it was. Everything was black and white, and she was never one to sit on the fence.

She was passionate about The Balinese and Siamese Cat Club and was their Chair for a number of years.

She loved her cats, especially her Balinese boy "Bear" IGR PR Doral Le Bruin and was heartbroken when he passed away.

Mick and I will miss her very much and send our sincere condolences to Jules and the family.

Sleep tight Auntie Dot
