

SHOW REVIEW GROUP

GCCF Insurance

Multiple communications received from Show Managers and Clubs to request confirmation of what the GCCF Insurance covers.

SRG requested the relevant information from the Board and this information has now been emailed to Show Managers. SRG has requested that this information is also placed on the Show Managers page within the GCCF website.

GCCF system to allow SM's to see which judges have given certificates previously

Discussion held regarding the issue of knowing which judges have given certificates in the event of a judge change.

SRG requested that this facility should be available to all Show Managers via the Show Manager's "look up" pages.

Confirmation has been received that this has now been implemented

SM's to be able to input own results and Class Judges

Discussion held about allowing all SM's to input results on system.

This discussion is still on going with the relevant parties.

GCCF Adverts

Currently required to place 3 adverts in all catalogues for free - GCCF ad, Cat Welfare ad, HP ad. Discussion held with regards to reducing the number of adverts to 1 GCCF & 1 Cat Welfare or for GCCF to start paying for all adverts.

SRG requested confirmation from the board that these adverts have now been reduced to 2. Information on this change has been emailed to Show Managers.

SRG requested this information is also placed on the GCCF websites Show Managers page.

Show Calendar on Website

Discussion held regarding the need to have separate list of shows showing at least 2 years of dates for SM's and Clubs (needs to be in date order). Club's & SM's need to be able to see an expanded calendar so they can plan future shows without clashing.

Show Management Information:

Multiple communications received from Show Managers and Clubs requesting information on the Rules regarding Breed Shows adding new classes, breeds, splitting classes, grants to their shows.

SRG requested the Board highlights the relevant rules as it is unclear which ones are relevant to this issue. The group also proposed that it would be less time consuming and more efficient if Club's didn't have to request the same changes every year so once requested and agreed the change should be permanent.

Relevant information has now been emailed to Show Managers.

SRG requested this information is also placed on the Show Managers page within the GCCF website

Anonymity:

Rule/advice that catalogues are given out when judging starts? Multiple show teams have been in contact to ask if this could be changed as they are struggling with show day helpers so it would be better if they could give the catalogues out when people arrive.

As the precedent has been set by the Anniversary show, the SRG suggested allowing all shows to issue catalogues at vetting in rather than waiting until the hall is cleared for judging to commence.

Although not met with unanimous approval due to concerns about judge/steward's integrity there was considerable interest in the suggestion and the Board requested the SRG come back with a firm proposal.

Forum

Create a Show Manager forum linked to GCCF website – an area for SM's. Separate groups could be created for Judges, Stewards, Clubs.

Show Management Training:

Currently need to do 3 shows to qualify. Discussion around areas such as: submission of ASM paperwork, extra support, guidance for newly qualified SM's and a review of current SM training/qualification.

This discussion is still ongoing

Proposals Remaining

Amalgamate Breed Classes at All Breed Shows – Awaiting BAC responses
Received suggestions for trials/pilots to be run with this change

Yearly Competitions

Win classes to qualify for Regional Final

Points gained from special classes to qualify for Regional Final

To be presented at the June Delegates Meeting

- 1. Allow 2 Certs to be signed by same Judge – Champion & Premier Level Only***
- 2. 13 Day Rule – remove 13 days after a GCCF show***

A total of 125 responses (emails, zoom meetings, phone) have been received by the SRG (not including the Judges and Show Managers surveys).

The SRG would like to invite people to contact us with any thoughts/suggestions about the above proposals or any other issues.
