

A GENERAL MEETING OF THE GOVERNING COUNCIL OF THE CAT FANCY

Meeting of Full Council

SATURDAY, 19th March 2022 by videoconference

Meeting Minutes

		PRESENTED BY	ACTION BY
C2336	WELCOME TO THE DELEGATES AND IN MEMORIAM	Chair	
	1. At 1.06 pm the Chairman welcomed the Vice Chair, 91 delegates and the Office Manager and thanked everyone for giving their time to attend Council.		
	2. Tony Burgess, Joy Davenport, Paul Fairclough, Norma Farnsworth, Aiden Gillen, Anne Hatliff, Susan Hope Margaret Horrobin, Barbara Leigh, Francis Sketch, Jean Turner and Dorothy Woodhouse were remembered in a moment of silence.		INFO
C2337	APOLOGIES FOR ABSENCE	Chair	
	1. Sixteen apologies for absence had been received in advance and one was given at the meeting. three of these clubs had been able to send their substitute delegate. Full details of attendance would be included with the minutes.		INFO
C2338	CLUB DISPENSATIONS	Chair	
	1. The Scottish Cat Club had apologised for late club returns and asked permission to send a delegate to Council.		
	2. A poll was taken to allow inclusion of the SCC. Majority approval: 89% for, 6% against, 5% abstained		
C2339	MINUTES OF THE NOVEMBER GENERAL MEETINGS	Chair	
	1. The Minutes of the Council meeting of 6 November 2021		
	1.1 The draft minutes had been circulated, and had been published on the website for several months.		
	1.2 It had been noted on the supplementary agenda that the final paragraph of judge information had been omitted. The three years of time out for the pandemic had been reported for delegates and was now published on the website in an updated version of the minutes		
	1.3 Attendance numbers were queried, and it was acknowledged that 18 apologies for absence were noted not nineteen. Some of these were from delegates of clubs who had provided a substitute, so the totals of 102 present and 34 absent represented the 134 clubs and two officers eligible to attend		
	1.4 A vote to accept the minutes was taken. Majority approval: 95% in favour, 0% against, 5% abstained.		INFO
	2. Matters arising from the previous meeting not covered by an agenda item	None	INFO
C2340	MEETINGS - minutes for information only	Chair	
	1. Board of Directors: 10 September, 1 October, 12 October, 19 November, 30 November, 17 December 2021		
	1.1 BD4156.8: it was queried if the marketing group had reformed, and accepted that this was awaiting the outcome of the strategic review currently in progress.		
	1.2 BD4158.1.8: it was confirmed that the Terms of Reference for the Show Review Group had been on the GCCF website since June 2021.		
	1.3 BD4168.3.3 Sally Rainbow-Ockwell wished it to be on record that she was the delegate referred to in this minute. However, she was not a Companies' House Director of any business other than her own. She had referred 6 external companies to GCCF that had been used successfully, including the current Strategy Consultant and Business Continuity company, but had never had any financial nor any other beneficial connection with any business referred as that would be highly unprofessional and her own business depended on independence. Her recommendation would be that all on the GCCF data base should be contacted for paid work, and for volunteer members for sub-groups.		
	1.4 The question arising from these comments was how the recommendations of the of the strategic review would be brought to Council was answered by Steve Crow at the Chair's request. He gave detail of the work undertaken to date and the Board meeting planned for 5 April in which a report and recommendation would be made. Once these were known then Council could be informed, but options and recommendations could only be made afterwards.		
	Mini-Board meetings in March for the purpose of assisting the welfare of Ukrainian cats		
	1.5 Minutes from emergency meetings of the Board 3 March and 10 March in response to the conflict in Ukraine had been published on the website and notified on the supplementary agenda.		
	1.6 Sandra Woodley (an initiator of the GCCF fundraising effort to aid the welfare of cats) informed delegates that it was recognised that animals were victims in a war, and that all delegates would be familiar with the news that many had lost their homes and had to travel carried by their owners. Warmth, food and security were therefore urgently needed for those that remained in Ukraine or were with refugees. What could be given would be only a small part of the total needed, but GCCF fundraising was needed.		

- 1.7 £5000 had been sent by GCCF to rescue assistance in Poland and a small fundraising committee had been formed (Sandra Woodley, Rosemary Fisher, Sandra Devereux and Carrie Lamb (OM)). A special web page (Enthuse) would take donations to be received by the Cat Welfare Trust and publicity could be as widespread as possible and then shared by those who received.
- 1.8 GCCF would match fund to a total of £25,000 (including the £5,00 given). It was hoped to send £50,000 in total to assist cats in Ukraine and those with Ukrainian refugees.
- 1.9. The Chair asked Council to give approval to this fundraising effort. Therefore a vote was taken.
majority approval: 93% in favour, 0% against with 7% abstaining

2. Finance Committee: 29 February, 10 December 2021

2.1 There were no delegate queries arising from these minutes on the day.

BYELAW CHANGES

Chair

1. **Byelaw additions at 11 (4) to give clarity to the election process for Board and Finance Committee**
- 1.1 Delegates were presented with a choice of election procedure for candidates:
 A - included the traditional nomination format with delegates proposed by other delegates
 B - allowed for individual applications, as for the three disciplinary committees
- 1.2 Option A received approval with **50% in favour, 41% voted for B and 9% abstained.**
- 1.3 The additional wording required to introduce this was put forward. This was approved with the required majority.
majority 85% in favour, 5% against with 11% abstaining
2. **A proposal to clarify the procedure for the introduction of emergency business** Chair
- 2.1 This was proposed by the Board to ensure Council had the power to accept emergency items if delegates voted in favour of allowing them onto the agenda by a two thirds majority. It was required that the agenda was circulated almost a month ahead of the meeting and emergencies could occur.
- 2.2 Any such emergency items would be presented at the Chair's discretion and delegates would be given advance notice by electronic circulation with a vote to give approval by a two a thirds majority.
- 2.3 Three additions to the Byelaws were required:
 a) a statement at Byelaw 9(4) was agreed: **majority 85% in favour, 9% against with 6% abstaining**
 b) statements at Byelaw 13 a & b were agreed following the removal of the word 'Except' at the beginning of each of the two extra sentences, and the addition of a note to link it back to 9(4) to ensure the procedure of any introduction by the Chair of emergency had to be approved by Council with a two thirds majority required for its acceptance prior to any discussion.
majority 77% in favour, 16% against with 6% abstaining
3. **A revision to Byelaw 12 (13a) to increase the maximum level of a first fixed penalty** Chair
- 3.1 In July 2021 Council had requested that the penalty for a serious breach of the rules relating to welfare and breeding practices should not be a token amount. Therefore, it seemed sensible to make possible a higher level of Fixed Penalty for the first offence. This had not changed for almost twenty years.
- 3.2 The full wording was:
 The breaches in question, the fixed penalty applicable thereto and the consequences of non-payment shall be as published by the Board of Directors from time to time. The maximum level of the first fixed penalty per breach shall not exceed **£250**. (Added 25.6.03) (Amended 21.10.2015)
- 3.3 The increase was endorsed by the Disciplinary Committee Chair and there was delegate opinion given that it should be raised by much more as kittens were now sold for prices considerably higher than £250. However, the DC Chair pointed out that a sudden large increase could give grounds for appeal, or people would become back yard breeders rather than pay a punitive amount and GCCF then had no authority over them.
- 3.4 It was observed that the penalty was for a first offence. It would be doubled for a second and more serious offences often went to DC where higher penalties could be imposed. Also, that although any fixed penalty could have this amount attached to it, many were trivial with warnings given, and £250 would be imposed for a first offence for the more serious matters where welfare was the prime concern.
- 3.5 It was thought sensible to review the matter in twelve month's time.
- 3.6 A vote was taken with the result: **majority 88% in favour, 6% against with 6% abstaining**
Action: the approved text for 1,2 & 3 to be added to the Byelaws JL

C2342

BREED MATTERS

1. **Amendments to the Devon Rex registration policy** JRBAC
- 1.1 It was proposed that all cats proven by DNA test to be longhaired, or having two longhaired parents, should be registered on the Reference Register as Longhair, and their progeny should be over stamped as carrying the longhair gene.
- 1.2 The BAC wished to ensure that cats proven to be longhair were accurately recorded on the register.
- 1.3 A vote was taken with the result: **majority 87% in favour, 2% against with 11% abstaining.**
2. **Amendments to the Cornish Rex registration policy** JRBAC
- 2.1 It was proposed that the same action should be in respect of longhaired Cornish Rex as for Devon Rex for the same reason.
- 2.2 Also, it was proposed to introduce a DNA testing scheme for progressive retinal atrophy (rdAc) into the CRX policy, as the BAC had been made aware of a few GCCF Cornish affected by the disease. It did not wish to risk any spread so that it became an issue, particularly as the number of CRX imports was increasing.
- 2.3 A vote was taken with the result: **majority 89% in favour, 2% against with 8% abstaining.**
- 2.4 It was agreed that the implementation date for these policies should be 19 June 2022.
Action: the JRBAC to be informed of the decisions taken for both policies JL

1 A report from the Judge Appointment System Review Group

KK

- 1.1 Kate Kaye reported that since the last report to Council the group had been focussed on updating the Judge Appointment Scheme documentation in preparation to introducing training for new judges by Grand Group. This was taking longer than expected due to the stringency being applied to ensure that the knowledge and breed familiarity of the current system was transferred to the new one.
- 1.2 This work was still to be completed, but the JASRG was in a position to trial the new approach and had looked for Grand Groups with differing numbers and diverse breeds to participate. Grand Groups B and C in Section 2 and Grand Group B in Section 5 had been selected with consideration given to there being no conflict of interest with KK, Dr Collin or Mrs Dean as they would be taking leading roles
- 1.3 There had been a preliminary meeting with the Chairs and Secretaries of these Groups which had proved extremely positive and it was anticipated that the trials would begin in April or May. Either KK or PC would act as Group Chair with HD as Secretary, although existing officers would be welcome to participate. The intention was to recognise and deal with issues as they arose and so overcome them quickly.
- 1.5 As well as this work the JASRG had continued to advise BACs and candidates to provide clarification on the existing JAS. The next meeting was planned for 20 March (the next day).

2. A report from the Show Review Group

LR

- 2.1 Lyndsey Robinson reported that since the last meeting they had been able to provide answers to a number of enquiries that had been received.
- 2.2 Information on what was covered by GCCF insurance had been circulated to Show Managers.
- 2.3 It was now possible for SMs to view a cat's show records to check which judges had previously awarded certificates. This was useful when a countersignature was required as often exhibitors could not remember.
- 2.4 The number of GCCF adverts required for show catalogues had been reduced from three to two.
- 2.5 The website show calendar had been much improved. There was a request for there to be an additional spreadsheet to go alongside it with shows booked over a two year period, as this would be helpful in avoiding date clashes.
- 2.6 Information on class splits had already been sent to SMs, and the Board was considering rule changes in connection with these, and at ensuring that requests for additional classes did not have to be repeated annually.
- 2.7 There was some discussion ongoing about the timing of catalogues distribution as shows did not always have enough helpers available once judging had begun. Feedback from exhibitors was requested.
- 2.8 The review of SM training was ongoing, along with the practicality of offering support to new SMs. It was thought a moderated forum for SMs within the GCCF website would assist and bring new ideas. Many SMs had complained of bullying on social media sites and they thought a forum based on the GCCF website would help with this issue.
- 2.9 LR gave notice of two proposals for the next Council meeting. One would be that two certificates could be signed by the same judge at CC, PC and MC level. The other was to change the 13 day rule so that it did not apply to the 13 days following a GCCF show. The Chair requested that delegates should wait until the proposals were presented to Council before further comment.
- 2.10 A few BACs had still to contact the SRG on the amalgamation of classes, and it was thought possible that this was something that should be trialled at a few shows. Any suggestions would be welcomed.
- 2.11 It was observed that some judges did not seem aware that reports were required on all cats presented for BOB. It was asked that this should be reported to the SRG and the Office.

3. A proposal from the Oriental Cinnamon & Fawn Group

- 3.1 The proposing club had been wound up since asking for the proposal to be on the agenda. The Oriental Bicolour Group had requested via the supplementary agenda that it be allowed to continue with it as the concerns expressed were shared by all clubs on the Siamese Cat JAC. However, the OBG delegate had since given apologies for absence.
- 3.2 Opinion was given that the proposal should not have been allowed to stand after the notice that the club had folded, with the Chair's response that as this was something that was unprecedented it was thought best to seek Council opinion to be concluded by a vote, rather than take action in advance.
- 3.3 It was concluded that the Board should make a small Byelaw change so that there was clarity for the future on this issue, and that any club could bring the proposal back to council at a later date.
- 3.4 Delegates were then asked if they wished the proposal to be discussed, and the majority were not in favour of this happening.

majority against 73, 17% in favour with 9% abstaining.**1. The IT Report**

SC

- 1.1 Steve Crow had supplied a written report to be circulated with the meeting paperwork, and gave a brief update on this at the meeting.
- 1.2 A significant update to Phoenix had taken place in January, and the plan now was to release updates on a more regular basis, quarterly or more frequently.
- 1.3 Work had begun on Business Continuity Project in December, and was now almost complete. The aim had been to provide documentation for the Phoenix system.
- 1.4 To go alongside this it had been decided to undertake a full review of the GCCF's technology for the office systems. The current hardware and software was replaced some years ago, so an assessment was needed on what exactly GCCF had. Ian Macro would lead this work to collect information on the current state of all our systems so that there could be better future planning.
- 1.5 The new website was hosted by Azure, and this had been live since mid-February and was running with few problems. Where issues had occurred, they had been mostly in the show calendar and judge report area, but these were now resolved.

- 1.6 The registration policy project was nearing completion, with the Oriental and British policies still undergoing and others only requiring occasional updates.
- 1.7 The New Zealand CF had not yet made a decision on whether they wanted to purchase a version of Phoenix
- 1.8 The STAR 'Task & Finish' had had further meetings since the report was written. The STAR manual had now been circulated to SMs running STAR shows and feedback was expected so that once it was finalised it could be presented as an HTML for interactive SM use on the system. The Office administration could not be settled until a staff member was back from maternity leave.
- 1.9 A delegate commented that results for cats could now be found via STAR in real time, so there was no need to crowd around a results board. She was sure exhibitors would very much appreciate this feature.
- 1.10 SC concluded by stating that due to the strategic review taking place there was unlikely to be a Business Plan for 2022. Any discussion on the recommendations could not take place in Council until July and it would better at that point to plan for 2023.

2. The Welfare Report

SC

- 2.1 Steve Crow's report had been circulated in advance and focussed on the programme of work scheduled for the Canine and Feline Sector Group in 2022. This would be centred around the large amount of legislative work, which DEFRA had in train, which included the compulsory microchipping of cats.
- 2.2 However, the government was now saying that this legislation would not be implemented until there had been a review on the microchipping of dogs. This was most unlikely to scrap microchipping, but it could change the format. SC was aware that there was an effort to work more closely with vets and the C&FSG had been asked to look at getting cooperation between the existing databases to get a single point of access.
- 2.3 A five year review of licensing regulations introduced under the Animal Activity Licensing Regulations 2018 should be undertaken in detail with CFSG having a key role. However, the timetable supplied had been deemed to be too short and DEFRA had been informed a longer period was needed.
- 2.4 DEFRA had completed a light touch review of the Licensing of Animal Activities Guidance notes and issued revised notes for each licensing activity, these come into effect on 1st February 2022. A copy of the revised guidance on "Selling Animals As Pets" was on the GCCF website. Scotland had introduced a system based on the English version in 2021, and Wales was about to do the same. Currently there was no similar legislation planned for Northern Ireland.
- 2.5 SC was disappointed to report there had been no progress in getting animals other than dogs included in new pet theft legislation, but cat orientated organisations would continue to try. He was working with colleagues in Cats Protection and others to look at what action we could take, which could include GCCF putting out a call to our breeders and owners for information about cat thefts they have experienced or know about.
- 2.6 A meeting of the Genetics Committee took place on 5th December. Minutes of GC meetings were on GCCF website.

INFO

3. A report on the work of the Breeder Scheme Group

- 3.1 Peter Williams sent apologies for being unable to attend Council or prepare a report. He had stepped back from leading on the Scheme's review because of unforeseen family commitments taking most of his free time.
- 3.2 The Board had accepted an offer from Professor Kym Jarvis to take the lead.

INFO

4. News from the Cat Welfare Trust

RF

- 4.1 The Royal Veterinary College planned to feature the Cat Welfare Trust (as a research supporter) within the new large atrium that was part of its current building programme.
- 4.2 As yet there was not update on the research into HCM in BSH as Covid had delayed the programme. It was hoped there would be news by the summer.

C2345 JUDGES (for approval and information)

1. JUDGES APPROVED

Singapura BAC Full Judge (reinstatement) **Stephen McConnell**
majority 78% in favour, 10% against with 12% abstaining

2. NOTIFICATION OF JUDGES APPROVED VIA THE WEBSITE SINCE NOVEMBER COUNCIL 2021

Bengal BAC Full Judge **Sandra Woodley**
Egyptian Mau BAC Full Judge **Stephen Parkin**

3. JUDGES APPROVED VIA THE ACCELERATED SCHEME SINCE NOVEMBER COUNCIL 2021

Abyssinian BAC Full Judge **Perri Mansaray**
Australian Mist BAC Full Judge (provisional) **Sandra Devereux**
Maine Coon BAC Full Judge **John Harrison**
Joint Rex BAC Full Judge (DRX) **Sally Tokens**
Russian BAC Full Judge **Valerie Kilby**
Siamese Cat JAC Full Judge **Linda Martin**

4. NOTIFICATION OF JUDGES TRANSFERRING TO THE EMERITUS LIST & WITHDRAWALS

Patricia Perkins Emeritus (until further notice)
Janet Starr Emeritus
Steven Leppard Return to active judging - transferred from the Emeritus List

5. **Judge Withdrawal:** Pina Bruno-Grieve as PJ from the Cornish and Devon Rex lists, by personal request.

1. John Hansson announced there would be no Cat Of The Year (COTY) awards in 2022. The reasons were that several shows had been cancelled so some exhibitors had missed out, also the show calendar was changing from June-May to the calendar year.
2. There were two queries on the judge lists. Ms Devereux was recorded with 'provisional' after her name as she was beginning a period on the Accelerated Scheme as a full judge of Australian Mists. The Committee Secretary had tried to include in the Council notifications all judges who had completed the Accelerated Scheme, but acknowledged it was possible some had been missed in 2020-21 due to the irregularity of meetings. She would notify the delegate raising the point with a list of those named.
3. Thanks were expressed for the new website. It was thought to be very informative and it was easy to find the information required. The chair added his thanks to Rosemary Fisher for all her work on this project.

The meeting closed at 3.05pm, with the Chairman thanking delegates for their participation and expressing gratitude to Carrie Lamb (the new Office Manager) for her capable handling of the voting procedures at her first Council meeting.

The next meeting to be: the Electoral Meeting on 16 July 2022 (agenda items required by 10 June 2022)

ADDENDUM - APPROVED BYELAW CHANGES IN FULL

Election procedure for the GCCF Board and Finance Committee

A) by nomination – the traditional format (added as 11 (4))

1. Nomination papers for the Board and FC must be circulated with the paperwork for the Electoral Meeting of Council.
2. Nominations will be made to the GCCF Office either by post or electronically. Only delegates from clubs that have sent examined returns to the GCCF Office may nominate and be nominated. There can be no self-nomination.
3. A list of nominees must be made on the GCCF website as names are received throughout the nomination period. Candidates and nominators are responsible for checking a name is listed. Proof of sending will not provide proof of receipt.
4. Nominations will close 10 days before the Council meeting.
5. Each candidate for the Board and/or FC must provide a nomination statement no longer than 200 words to provide background information on their reasons for becoming a Board and/or FC Committee member and give an indication of how they will contribute to the company in the future in that role. Failure to do so will invalidate the nomination.
6. Statements must be linked to a nominee's name and can be uploaded from the time each name is published. Candidates are responsible for checking their statement is displayed on the GCCF website. Proof of sending will not provide proof of receipt.
7. There will be a deadline set for receipt of statements to allow for printing if paperwork is to be taken to a meeting.
8. Candidates whose names are presented for a GCCF Council ballot will be delegates who have been correctly nominated by another eligible delegate, and who have submitted the required statement before any specified deadline. Enquiries can be made about non-published names or statements in advance of a closing date. None will be considered once a deadline has passed.
