

My name is Owen Maudlin.

I am putting my name forward for a position as a member to the Disciplinary Committee on which I have been reserve during the last year. .

I have been involved in the Cat Fancy since 2008, when my wife, Monika and I started breeding Aztecs (then called Ocicat Classics) and Ocicats using the prefix Thorsoak.

Within the GCCF.

I have served as a reserve for the Disciplinary Committee

I was a Member of The Ocicat Club Committee and am a Founder Member and Chair of the Aztec and Ocicat Society.

I sit on the Ocicat and Aztec BAC.

I am a Committee Member of the Essex Cat Club and the London Cat Club.

In my working life, I was a Store Manager for a well known food store until 1979. I then, change to the manufacturing industry where I became Chargehand/Team Leader. I also became a company trainer. I was approached to take up the position of Supervisor/Trainer when the company set up a new plant in Czech Republic in 1997.

On completion of the job in 1999 I returned to UK, Where I became part of the Human Resources Department for the company in their Bristol site.

When the company downsized and I was made redundant, I set up a small business as a sole trader (motor mechanic). That business ran from 2002 until 2015 when the onset of arthritis made it impossible for me to continue so I retired early.

During my working life, I have gained people skills and I am able to set people at ease in difficult situations, I also the ability to analyse both sides in a dispute.

I believe these to be useful skills for a member of the Disciplinary Committee.
