

# **Personal Statement -Sarndra Devereux**

I have been involved with the GCCF since the early 1980's, breeding mainly Burmese & Asians under my Rainsong prefix. Over the years I have been active on club committees, BACs, the Disciplinary Committee and the Board. I am also a GCCF Full Judge & All Breed Show Manager.

The GCCF means everything to me, it's provided me, effectively with a likeminded family, for which I shall be eternally grateful. I want to encourage others that the GCCF is the very best registration body to be with and get them involved with our activities.

Whilst I hold the ways of the GCCF dear, I also believe in modernisation from IT to judge training and show reform. I am a member of both the Show Review Group & the Judge Appointment Scheme Review Group.

The GCCF exists for every cat lover, old & young. I would be very grateful for your vote as I'd like to continue working as a Board member to modernise & encourage other people into our hobby whilst still uphold our glorious traditions.

Sarndra (Devereux).
