

GCCF Board Statement.

I've been showing & breeding, under my prefix, Loraston for many years. I am a Judge, Rep on 2 BAC's, a BAC Secretary, serve on DC & am a committee member of Southern British Shorthair & South West British clubs, creating & running websites and Social Media marketing.

I would like to see the GCCF become much more "visible" and attract the younger audience including HHP owners, which will bring in the next generation of exhibitors and breeders. We need to support our current and new breeders better and bring the Breeders Scheme up to date and for it to be seen as a badge of honour that makes us proud.

I am passionate about our shows and want to help with rejuvenating these wonderful events, so they are more visible and also grab the attention of those who have never exhibited at all!

Let us utilise our members and include them more in our growth to improve what we do and how we are seen. We need to be, more engaged with our audience, more in line with today's internet platforms and re-evaluate where we want to be in next 5-10 years, structurally too.
