

## Ketill (Kit) Game – Finance Committee Statement

I started my working life being employed by British Telecom & completed 32 years. Over that period I worked my way up from working in accounts, to eventually becoming Budgeting Control Manager for the Oxford District. I then moved on to Building Facilities Management with responsibility for numerous maintenance/cleaning/building contracts valued at anything between £10k and well over £50k.

As a former Supreme Show Hall Manager for over 18 years, I was responsible for managing costs and ensuring accuracy of invoices for hall hire, electricity, phone bills, penning, stage etc, as well as billing trade stands.

I have 40 years experience of the cat fancy, showing Korats and been involved in BAC's. I am a hall & show manager, all of which require a good financial head and organisational attributes. I am a Parish Councillor & sit on the finance & general purposes committee, helping to monitor and budget local community finances.

I am currently on the GCCF finance committee and would hope to continue in offering my experience and negotiation skills to manage the GCCF's funds in ways that are beneficial to all.
