

## Lisa Robinson-Talboys – FINANCE Statement

I have been involved in Show management for 30+ years. I am Hon Treasurer for a number of clubs, and Show Manager for 6 All Breed Cat Shows.

I am involved in a financial role for a number of businesses in my local area, ensuring accounts are correct, developing procedures to assist in keeping businesses productive and successful.

In my role as a GCCF Show manager I also strive and do my utmost to ensure that any shows I'm involved in are financially successful. I understand that it is the club and members monies, and would never knowingly put on an event that would run at a loss, I feel there is a responsibility as SM to forward plan and budget for all areas involved in running any and all of our events.

If elected to the finance committee, I would like to offer my skills, knowledge and experience gained over 30+ years and help the GCCF move forward proactively and responsibly with a sound financial strategy, ensuring a positive future for the GCCF.
