E-Form

For our 2022 show we are testing a pilot E-Form. This form allows exhibitors to type in their information online rather than printing, hand writing and posting paper entry forms.

<https://eu.jotform.com/app/kopikatts1/eforms>

When selecting classes to enter you can either click/tap on box and then scroll to required class or you can use key words/class numbers to find relevant classes eg. type HP and classes for Household Pets will show. Useful key words – Club Class, Memorial, Breeders, HP NP, HP PP.

If you require more than 1 miscellaneous class then just click/tap on the right of the box (shown below) after selecting first misc class and select the next class required.

Please use the back button on the form, not the web browser back button, if you would like to go back a page.

NO PHOTOGRAPHY WITHOUT PERMISSION OF THE SHOW MANAGERS

SHOW RULES AND REGULATIONS

The show is held under the Rules of the Governing Council of the Cat Fancy and is open to all. As a copy of the Rules is NOT included with this schedule, all exhibitors are reminded that they should read Section 4 of the Show Rules, as they will be strictly applied. Ignorance will not be accepted as an excuse for a breach of the Rules. (Copies of the Rules may be obtained from the GCCF Offices, 5 King's Castle Business Park, The Drove, Bridgwater, Somerset. TA6 4AG)

STATUS OF ERRORS - WHAT TO EXPECT

MINOR ERRORS. These warrant a notification for your reference if the error occurs more than once and it is apparent that registration details were available at the time of entry or before the date of the show. Continuous repetition of the same error after notification will be referred to the Executive Committee.

Examples of minor errors include: (a) spelling errors

(b) separation of cat's names that should be one word, and vice versa

(c) administrative/breeder's prefix omitted from, or partially incorrect name given for exhibit

(d) overseas title preceding the name of an exhibit, sire or dam, etc. (e) full breed number known but not given

(f) Sire and Dam reversed or named incorrectly

(g) breeder joint when single and vice versa

INCORRECT DATE OF BIRTH. This is usually classed as a minor error unless it affects an entry into classes based on age groups, when it could warrant disqualification of the exhibit from such classes; but if the incorrect date of birth affects the age suitability as a whole, then the exhibit will be disqualified from the show.

NB AGE LIMITS: Kittens - not less than 14 weeks and under 9 calendar months on date of show.

Adults - not less than 9 calendar months on date of show

INCORRECT NAME OF EXHIBIT/OWNER/BREEDER. If registration/transfer details were obviously available at the time of entry or before the date of the show, disqualification is inevitable. The following discrepancies are those which usually arise:

- | | |
|---------------------------------|---|
| EXHIBIT | • Totally incorrect name |
| REGISTERED OWNER
(EXHIBITOR) | • Joint when they should be single and vice versa
• Declaration not signed by registered owner(s)
N.B. The exhibitor(s) must be the registered owner(s) of the cat and not necessarily the person who actually takes the cat to the show |
| BREEDER | • Totally incorrect name or names
N.B. The breeder of a cat is always the registered owner of the dam on the date of the cat's birth. |

REGISTRATION/TRANSFER NOT RECEIVED BY GCCF 10 DAYS BEFORE THE DATE OF THE SHOW: These entries will be disqualified. Remember the effective date of all registrations and transfers is the **first date of valid receipt by the GCCF** and if you enclose your own stamped addressed acknowledgement card with your application form, this will be stamped with the GCCF Office date of receipt.

TRANSFER OF EXHIBIT FROM EXHIBITOR TO A NEW OWNER RECEIVED BY GCCF MORE THAN 10 DAYS BEFORE THE DATE OF THE SHOW. Entries such as these will also be disqualified as the exhibitor's entry form becomes invalid.

INCORRECT or INELIGIBILITY OF CLASS ENTRY. These will be disqualified from the class concerned — so always check with the Show Manager if in doubt about which classes to enter. If a breed number is changed officially, it is important that you notify the Show Manager immediately. Exhibits entered in the Grand class must have qualified on or before the published closing date of the show.

CAT REGISTERED ON THE REFERENCE REGISTER. No cat registered on this Register is eligible to be shown and therefore these entries will be disqualified.
The only exception to this is when a new breed becomes recognised; and then, cats of the breed may be shown even if they are registered on the Reference Register as long as this was the only reason for the Reference registration.
Exhibitors may appeal against any disqualification resulting from show checking, giving their reasons. The appeal will be referred to the Executive Committee if considered valid and, if not, a letter of explanation will be sent to the exhibitor(s). The above advice, however, is aimed to keep your show entries trouble-free, not to mention the show checking.

VACCINATIONS

All cats exhibited at shows held under GCCF rules must have a current certificate of vaccination against FIE, FVR AND FCV (CAT FLU). The full course, or booster, in accordance with manufacturer's recommendations, must have been completed more than seven days before the Show. The certificate must have been issued by a veterinary practice/ hospital and the last vaccination entry signed by a Vet.Surgeon or by a listed Vet.Nurse under the direction of a Vet.Surgeon. Cats **with an invalid** vaccination certificate will be rejected under Section A. Cats unaccompanied by a vaccination certificate will also be rejected under Section A unless the exhibitor undertakes to provide proof of vaccination, valid for that show, by sending the certificate to the GCCF Office within seven days of the show. Failure to do so will lead to disqualification from the show and the cat's name will be placed on the rejection list until proof of vaccination is received in the Office. Ensure that the certificate is properly completed and clearly indicates the identity of the exhibit and the owner to avoid confusion resulting in rejection. Homeopathic vaccinations CANNOT be accepted.

DEFINITION OF CLASSES

(All definitions apply to shows held under GCCF Rules)

- Breed Classes: Open to all untitled cats of the specified breed (must be GCCF Registered)
Cats: Not less than 9 calendar months on the day of the show.
Kittens: Not less than 14 weeks and under 9 calendar months on the day of the Show. Since 1/6/2001 neuter kittens are entered in kitten Open & Miscellaneous classes and compete for BIS Kitten. Neuter kittens of Preliminary Breeds should be included in Kitten Assessment classes where separate classes for Adult, Kitten and Neuter are scheduled.
- Neuter Adults: Neutered adults may only enter Neuter Classes and may not compete with entire cats or kittens except in Club Classes which are scheduled to include Neuters. Where Best in Show is held, the best Neuter shall be considered against the best Entire Adult and Kitten for Best Exhibit in Show
- Breeders: Exhibits bred by exhibitor/s. Cats originally registered in the Breeders' joint ownership but changed to single ownership of one of the Breeders can still be entered in this class. Cats originally registered in the Breeder's single ownership and changed to joint ownership with the Breeder should be entered in the Non-Breeders Class.
- Local: Exhibits that live within a 50 mile radius of the Show Hall
Visitors: Exhibits that live over 50 miles from the Show Hall
Assessment: For experimental breeds only. Entrants may also enter the appropriate Miscellaneous and Club Classes. Entries must include a Standard of Points which has been approved by the GCCF.

NOTE:- The status of the exhibit for entering restricted classes (i.e. Maiden, Limit etc. shall be the cats' status on the date of entry. The wins as a Kitten do not count when the exhibit is shown as an Adult or Neuter; the wins as an Adult do not count when the exhibit is neutered and shown. Merit Awards do not count as 'wins' for entering restricted classes.
