SHOW RULES, PROCEDURES AND REGULATIONS

The show is held under the rules of the Governing Council of the Cat Fancy and is open to all. As a copy of the Rules is NOT included with this schedule, all exhibitors are reminded they should read Section 4 of the Show Rules, as they will be strictly applied. Ignorance will not be accepted as an excuse for a breach of the Rules. (Copies of the Current GCCF Rules may be obtained from the GCCF Office, 5 Kings Castle Business Park, The Drove, Bridgewater, Somerset, TA6 4AG).

The Committee reserve to themselves the right to:

- (a) Appoint other Judges should those advertised be unable to fulfil their engagement and to appoint further Judges if deemed necessary.
- (b) Fix and limit the number of exhibits at the show and refuse entry without giving a reason.
- (c) Cancel, amalgamate or divide classes. Announcement of any alteration in the schedule will be made on the GCCF website if alterations are carried out in time for inclusion this will be deemed sufficient notice.
- (d) Publish a catalogue of the show containing information as to the exhibits and the names and addresses of the exhibitors.
- (e) Retain a percentage of the Entry Fees to cover essential expenses, in the event of the Show being cancelled for any reason.
- (f) The Show Manager on behalf of the committee reserves the right to pass any charges incurred to the exhibitors whose cheques are refused payment by the club's bankers. The exhibitors entry will be withdrawn from the show until such a time that the Entry Fees plus and additional £10.00 administration charge are paid by the exhibitor.
- (g) Refuse admission to the Show Hall without giving reason.
- (h) Exhibitors are responsible for the correct description of the exhibits and for entering them in the correct classes Cats entered in the wrong classes by the exhibitor may be disqualified.

REGISTRATION

Pedigree Section

All cats, kittens and neuters entered in the Pedigree Section must be registered with the GCCF. To be effective for entry all registration and/or transfers must have reached the GCCF Office at least 21 days prior to the show. It is wise to enclose a stamped addressed postcard for acknowledgement of registration/transfer applications, particularly for cats entered for shows, so that you will know that the application has been received by the GCCF and on what date. No Cat or Kittens, entire or neutered, born after 19.10.71, with one or both parents, grandparents or great-grand-parents unregistered shall be eligible for entry into Open Classes. If the registration number has not been received when completing the entry form, write RAF in the appropriate column and forward the number when received to the Show Manager. Your first choice of name should be entered in the appropriate column.

Household Pet Section

Unregistered cats, kittens and neuters (Non-Pedigree Pets) may only enter classes in the Household Pet Section. Pedigree Pets, cats of pedigree appearance with known, unknown, full or half pedigree backgrounds may be registered or unregistered but neither registration numbers nor prefixes will be used when entering this section, and requirements for showing Pedigree Pets will be the same as those for Non-Pedigree Pets.

SHOW ENTRY

Exhibitors must complete an official Entry Form and subscribe to the declaration therein. No telephone entries can be accepted. The exhibitor must complete the entry form as stated on the registration/transfer certificate. Exhibitors are responsible for the correct description of the exhibits and for entering them in the correct classes. Please do not omit to read and sign the declaration

VETERINARY

GCCF recommend the use of secure, top opening cat carriers and if a cat cannot easily be removed from the carrier, it will not be vetted in/Judged (as in Best in Show).

N.B. This recommendation relates to the amendment to Section 4 Rule 6

Exhibits will be received at the show hall from 7.45am until 9.45am on Saturday 4th October 2025. All exhibits must be accompanied by the owner or the owner's agent and be brought to the show in baskets or suitable containers. Vetting in slips will be given out on the day of the show. Each exhibit will be examined by the Club's Honorary Veterinary Surgeons and no exhibit may be penned before being examined. All exhibits must have a current Vaccination Certificate against FIE (Feline Infectious Enteritis), FVR & FCV (Cat Flu) the full course or booster, in accordance with manufacturers recommendations must have been completed more than 7 days before the Show and issued by a Vet practise/hospital and signed by a Veterinary Surgeon or Vet. Nurse under the direction of a Vet. Surgeon. The certificate must clearly indicate the identity of the exhibit and the owner to avoid any confusion which may result in rejection from the show!

Cats without valid certificates will be rejected under Section A, unless the exhibitor undertakes to provide proof of vaccination by sending the certificate to the GCCF Office within 7 days of the show. Failure to do so will lead to disqualification from the show and the cat's name will be placed on the veterinary rejection list until proof of vaccination is received in the Office.

ALL CURRENT CERTIFICATES MUST BE AVAILABLE FOR VETERINARY INSPECTION IF REQUIRED. Please have your certificate(s) ready to save time at vetting-in.

Exhibits must have clean ears, coats free from pests and be free of communicable diseases. The following Cats cannot be admitted: Cats or Kittens that have been declawed; Male Cats (over 9 months) which are either Monorchid or Cryptorchid; Pregnant or Lactating Females, or those queens that have kittenned within the last twelve weeks; Vasectomised Cats may not be shows. Any exhibit rejected by the Veterinary Surgeon must be removed by its owner and the Entry Fees are forfeit. If in the Veterinary Surgeons opinion, it is desirable, all other exhibits from the same household and owner shall be debarred from entering the show.

PLEASE NOTE: Homeopathic vaccination is not acceptable for the purpose of showing. The Veterinary Surgeons decision is final.

NEW RULES COM 1ST JANUARY 2017

Section 5: rule 4e e.

Cats which show obvious signs of lack of attention to hygiene, have sharp untrimmed claws, or in the opinion of the veterinary surgeons are in an unfit condition for show, must be rejected under Section A of the Veterinary Rejection form. Note: Exhibitors should be allowed the opportunity to trim claws prior to a rejection, but should not expect the veterinary surgeon to do this for them at vetting -in. (Amended 15.06.2016)

OWNER'S LIABILITY FOR VETERINARY TREATMENT AT SHOWS

Exhibitors (owners) are advised that they are responsible for the cost of any veterinary treatment required by their cat(s) in their absence from the show hall.

VETERINARY CLEARANCE CERTIFICATES

Exhibitors whose cats have been rejected at Shows please note the following points:

1. When sending your clearance certificate to the GCCF Veterinary Officer, please include your copy of the rejection slip.
2. Please DO NOT send these certificates by recorded delivery as this can cause considerable delays in receipt. If you wish to satisfy yourself that your letter has reached the Veterinary Officer please enclose a stamped, addressed postcard for acknowledgement of receipt.
3. Exhibitors should not attend Shows until they have received a letter accepting and confirming clearance from the Veterinary Officer.

CERTIFICATE OF ENTIRETY

Include advice to Exhibitors that, although they are not required to routinely produce entirety certificates for adult males at Vetting-In, the only occasion when this is required is when an adult male has been treated with a contraceptive implant containing deslorelin (Suprelorin) which causes a reduction in size of the testicles. Owners are recommended to ask their vet to write a statement on the copy of the certificate giving details of the treatment which should then be signed, dated and stamped with the practice details by the veterinary surgeon administering the treatment. This copy of the entirety certificate should then be presented to the Duty Vet at any subsequent shows the cat attends, during the period when the cat is affected, so that Duty Vets are aware the cat has been treated and can advise a judge appropriately if consulted regarding the size of the cat's testicles.

PENNING OF EXHIBITS

Every exhibit must be provided with a white sanitary tray, and clean plain white or near -white blanket or blankets without distinctive marking or edging, which may be arranged in such a manner as to assist the comfort of the cat. Cellular blankets are not allowed, but white Vet - bed or like material may be used if preferred. A hot water bottle or heat reflecting material or a cool pack may be used, provided they are covered with a blanket covered by a blanket, in accordance with GCCF rules. Also safe battery-operated fans can be used on the pens, any other form of heating will lead to disqualification.

All exhibits must have water, but food containers must be removed before judging commences at **10 am**, and may not be returned until **1.00 pm**. One small toy may be placed in the pen after the time announced for the admission of the public. Judges are instructed to pass any pen that is distinguished in any way, other than official notices or award cards. No written or printed matter may be placed on competitive pens -For Sale signs are NOT permitted!

Exhibition pens only, may be decorated and may carry printed matter relating to the exhibit. Please Note that it is the Exhibitors responsibility to ensure that their cat's pen is safe and secure before leaving the hall. **The Show closes at 5.00pm or earlier at the Show Managers discretion. No cat may be removed from its pen before this time. Any exhibitor interfering or re-moving any cat from its pen during the show, except with the consent of the Show Manager, will forfeit any award that may be due to his/her cat.**

ADVICE TO EXHIBITORS – PLEASE DO TAKE NOTE!

- a) Stress Remedies including Scullcap or Valerian which change a cat's normal appearance or physical reaction as this will lead to disqualification under Section 4 Rule 14.
- b) Any person whose cats have been rejected under sections C or D must not officiate as a judge or steward, or in any other capacity which requires the handling of cats at shows, until a clearance certificate as required by the GCCF has been obtained.
- c) The use of small battery driven fans in pens can be dangerous, and could also be considered a distinguishing feature.
- d) The use of any kind of spray in the hall is strictly forbidden.
- e) Please note that in addition to the classes you have entered, your cat may also be handled for the purpose of assessing candidates in the GCCF appointment scheme.
- f) Queens who have kitted within 12 weeks of the date of the show may not be shown.
- g) It is highly recommended that you clip the claws of your cat/kitten before the show.
- h) Owners Liability: Please note that Exhibitors (owners) are responsible for the cost of any veterinary treatment required by their cat/s during the Exhibitors (owners) absence from the show hall.
- i) Advertisements: Be aware that advertising the future attendance of your cat at a GCCF show could lead to disciplinary action – take care when advertising in magazines, newspapers, newsletters or on the Internet.
- j) GCCF Veterinary Sub Committee wish to remind Exhibitors that cats should not be left in cars.

JUDGES

Judges are empowered to withhold any prize, award or certificate in any class if the exhibits do not, in their opinion, possess sufficient merit. Prizes will be awarded from the Judge's award slips, not from catalogues/ award cards.

COUNTERSIGNING OF CERTIFICATES

In the event of a change of judge of an Open Class occurring after the closing date of the Show, and provided that the **exhibitor informs the Show Manager prior to judging** that a Certificate has previously been awarded by the replacement judge, the Show Manager shall appoint one other judge who shall judge the cat and if the cat is considered worthy, countersign the certificate which shall then count towards Champion/Premier status.

If the replacement judge at the first show has also been previously booked for a subsequent show, the closing date of which is before the date of the first show, and where the actual entry has been made and received before the date of the first show, then at the subsequent show this judge can be regarded as a replacement judge for the purpose of requesting a countersignature.

GENERAL GUIDELINES ON ENTERING SHOWS

Where possible, always complete your show entry form from your GCCF registration document (i.e. Registration or Transfer Certificate) for the cat that is to be exhibited, **printing** the details carefully to avoid any misinterpretation of your handwriting. If the document you have is headed 'APPLICATION FOR THE TRANSFER OF OWNERSHIP OF REGISTERED CATS' this means that the cat is not registered in your name and you must complete the form and send it back to the GCCF with the transfer fee as soon as possible. It must be received by GCCF no later than ****10 days** before the show.

If you have not received your registration document at the time of entry, complete the show entry form with the details from the pedigree, giving the first choice of name if it is a non-prefix registration, and put RAF (Registration Applied For) or TAF (Transfer Applied For), or both, in the Regd. No. box. It is wise to enclose a stamped self-addressed acknowledgement postcard with all registration and transfer applications, particularly for cats entered for shows, so that you know that the application has been received by the GCCF.

Try to keep a copy of your entry form - then, when you receive registration details and number, check these against the entry form and notify the Show Manager in writing of any differences in the details as well as giving the registration number, if applicable. This may not be in time for the printing of the show catalogue, but the Show Manager should attach your letter to your entry form which will save unnecessary notification of discrepancies when that show is checked. All catalogue errors are checked against the original entry form and any exhibitors' letters are used for reference. Show managements are permitted to accept corrections, at their own discretion, up to the close of the show (on show day). Any such correction must not be an addition or substitution of any exhibit for which proof of entry cannot be validated or a change of exhibitor/owner

If you are entering several cats from your household and the registered owners (exhibitors) differ within that household/family, check with the Show Manager whether using one entry form is acceptable or not and, if it is, indicate **very clearly** which exhibitor owns which cat, ensuring all owners sign the entry form. It may be less confusing and more acceptable to the Show Manager for each owner to use separate entry forms, but joint owners of an exhibit(s) should always use the same form and **** at least one of the owners has signed the declaration.**

GCCF Rules Section 4 Rule 26 - Exhibitors are reminded that the decisions of the judges are final. Any attempt to influence such decisions, or to identify a cat or ownership of a cat to a judge at a show before that judge's engagement has been completed may render the offender liable to disciplinary action.

STATUS OF ERRORS - WHAT TO EXPECT

Minor Errors

These warrant a notification for your reference if the error occurs more than once and it is apparent that registration details were available at the time of entry or before the date of the show. Continuous repetition of the same error after notification will be referred to the GCCF Board.

Examples of minor errors include:

- (a) Spelling errors
- (b) separation of cat's names that should be one word, and vice versa
- (c) administrative/breeder's prefix omitted from, or partially incorrect name given for exhibit
- (d) overseas title preceding the name of an exhibit, sire or dam etc.
- (e) full breed number known but not given
- (f) sire and dam reversed or named incorrectly
- (g) breeder joint when single and vice versa

Incorrect Date of Birth

This is usually classed as a minor error unless it affects an entry into classes based on age groups, when it could warrant disqualification of the exhibit from such classes; but if the incorrect date of birth affects the age suitability as a whole, then the exhibit will be disqualified from the show.

N.B. AGE LIMITS:

Kittens - **not less than 14 weeks** and under 9 calendar months on date of show.

Adults - not less than 9 calendar months on date of show

Incorrect Name of Exhibit/Owner/Breeder

If registration/transfer details were obviously available at the time of entry or before the date of the show, disqualification is inevitable. The following discrepancies are those which usually arise:

Exhibit: Totally incorrect name

Registered Owner/Exhibitor: Joint when they should be single and vice versa. Declaration not signed by ****at least one of the** registered owners. NB. The exhibitor(s) must be the registered owner(s) of the cat and **not** necessarily the person who actually takes the cat to the show.

Breeder: Totally incorrect name or names.

The breeder of the cat is **always** the registered owner of the dam on the date of the cat's birth.

Registration/Transfer Not Received By GCCF ****10 Days before the Date of the Show**

These entries will be disqualified. Remember, the effective date of all registrations and transfers is the **first date of valid receipt by the GCCF**, and if you enclose your own stamped addressed acknowledgement card with your application form this will be stamped with the GCCF Office date of receipt.

Transfer Of Exhibit From Exhibitor To A New Owner Received By GCCF More Than **10 Days Before The Date Of The Show**:** Entries such as these will also be disqualified as the exhibitor's entry form becomes invalid.

Incorrect or Ineligibility of Class Entry

These will be disqualified from the class concerned - so always check with the Show Manager if in doubt about which class to enter. If a breed number is changed officially, it is important that you notify the Show Manager immediately. Exhibits entered in the Grand, Imperial Grand or Olympian class must have qualified on or before the published closing date of the show (****the date on the show schedule not an extended date**) and the title must have been claimed in writing. Exhibitors who enter Grand, Imperial Grand or Olympian Classes without claiming the title will be reminded once, but if the title remains unclaimed the cat will be disqualified from this class at subsequent shows.

Cat Registered On the Reference Register

Some cats registered on this Register are not eligible to be shown and therefore, these entries could be disqualified.

One exception to this is when a new breed becomes recognised; and then, cats of the breed may be shown, even if they are registered on the Reference Register as long as this was the only reason for the Reference registration.

Exhibitors may appeal against any disqualification resulting from show checking, giving their Reasons. The appeal will be referred to the GCCF Board if considered valid and, if not, a letter of explanation will be sent to the exhibitor(s). The above advice, however, is aimed to keep your show entries trouble-free.

DEFINITION OF CLASSES

BREED CLASS:	Open to all of the specified breeds. (Must be GCCF registered)
CATS:	Not less than 9 calendar months on the day of show.
KITTENS:	Should be not less than 14 weeks and under 9 calendar months on the day of the show. Since 1 June 2001, neuter kittens are entered in kitten Open & Miscellaneous classes and compete for BIS Kitten. Neuter kittens of Preliminary Breeds should be included in Kitten Assessment classes where separate classes for Adult, Kitten and Neuter are scheduled.
NEUTER ADULTS:	Neuter adults may only enter Neuter Classes and may not compete with entire cats or kittens except in Club Classes which are scheduled to include Neuters. Where Best in Show is held, the best Neuter shall be considered against the best Entire Adult and Kitten for Best Exhibit in Show.
DEBUTANTE:	Exhibits that have never been shown at a show held under GCCF Rules. (If Debutante Adult and Neuter classes are offered at a show, entry as a Debutante Kitten does not count when the exhibit is shown as an adult or neuter and entry as a Debutante Adult or Kitten does not count when the exhibit is neutered and shown).
MAIDEN:	Exhibits that have not won a First, Second or Third Prize in any class at a show held under GCCF Rules.
NOVICE:	Exhibits that have not won a First Prize in any class at a show held under GCCF Rules.
LIMIT:	Exhibits that have not won more than four First Prizes in any class at a show held under GCCF Rules.
BREEDERS:	Exhibits bred by exhibitor/s. Cats originally registered in the Breeder's joint ownership but changed to single ownership of one of the Breeders can still be entered in this class. Cats originally registered in the Breeder's single ownership and changed to joint ownership with the Breeder should be entered in the Non-Breeders Class.
NON-BREEDERS:	Exhibits not bred by the exhibitor
A.C.:	Any Colour
JUNIOR:	Cats over 9 calendar months of age and under 2 years on the day of the show.
SENIOR:	Cats 2 years and over on the day of the show.
ARISTOCRAT:	Exhibits with 1 or 2 Challenge or Premier Certificates.

The status of the exhibit for entering restricted classes (Maiden, Limit, etc) shall be the cats' status on the date of entry. The wins as a Kitten do not count when the exhibit is shown as an Adult or Neuter; the wins as an Adult do not count when the exhibit is neutered and shown.

To be eligible for entry into Imperial Grand Champion/Premier Class, the status of Grand Champion/ Premier must be attained on or before the closing date for entry as published in this Schedule. Likewise, to be eligible for entry into the Champion/Premier Classes, the status of Champion/Premier must be attained on or before the closing date for entry. Therefore, your cat must have attained their relevant title by 5th August 2019 to enter the appropriate Classes.

CORRESPONDENCE

All correspondence must be accompanied by a stamped, addressed envelope. Any complaint related to the Show must be forwarded to the Show Manager within seven (7) days of the Show.

If you are new to showing and would like someone to help you on the day, please let us know and we will organise a 'buddy' to help you to set up and support you throughout the day. Please also note that your name and address will be published in our catalogue and that your details will be held on computer unless you request otherwise.

CAN YOU HELP IN ANYWAY?

The Siberian Cat Club's Show is **YOUR** show. It belongs to you the members, not the committee nor the show management team.

We always need help, and there are many ways in which you can do this - help setting up the day before or taking apart at the end of the show; sponsorship of rosettes for classes; stewarding; selling raffle tickets or working on one of the club's stands; giving out rosettes; vetting-in steward; manning the door. The more people we have to help, the less time individual volunteers will have to work, enabling everyone to see the show. Last year the amount of help, both sponsorship and exhibitors who helped on the day, was wonderful, and we feel sure that this enabled the day to run smoothly and efficiently. We would appreciate your help again this year.

If you are willing to help in any way, please complete the following, ticking the appropriate box(s) and return it with your entry:-

Remember, each sponsor's name will be placed above the actual class

* Sponsorship of a Best in Show Rosette £8.00 per rosette ☐

* Sponsorship of an Open or Miscellaneous Class £5.00 per class ☐
