David Ellis

The Officers and Committee of Red Point & Tortie Pt SCC were saddened to hear of the death of Dave.

He, along with his wife Christine, were long time supporters of our Shows and I know used to thoroughly enjoy the day out talking cats with everyone, and always delighted with the many specials and gifts etc their cats were awarded.

He genuinely loved and cared for his cats and I was pleased to see he was able to return home from hospital, albeit only for a very short time, to see them again.

Our condolences to Christine.

RIP Dave – sure you have met up with a few felines again.

Jackie Reed
Chairman RPTPSCC
29th March 2026

I've known "The Ellis-es" for a very long time and have always been greeted with a warm hello and a genuine smile.

Dave loved it when I raved about their beautiful cats in the HP Section, which was very easy to do as they were always immaculate and oh so friendly - readily displaying how much they were cherished. He was a gentle man and I know how he had struggled with his health for quite a while but he fought hard to stay with the love of life, always together - Christine and him.

I shall miss seeing him when we go "down South" but be glad he is in a safe place free of pain. Dave, heaven has gained yet another bright star.

Our heartfelt condolences go out to Chris.

RIP Dave.

Janet and John Wilshaw

The Kentish Cat Society became aware of Dave's passing on the Friday before our AGM on Sunday.

The officers and Committee send their deepest sympathy to Christine and family.

Dave and Christine were stalwarts of our club, attending AGM's, garden parties and Fork Suppers as well as entering our show and showing their lovely friendly and so well presented cats.

It was particularly sad that Dave had recently spent so much time in hospital, was allowed home and was able to see his beloved cats but was rushed back after only a day.

We remembered him at the AGM and our love goes to Christine and family.

Barbara Darby
Chairman
Kentish Cat Society

I was extremely saddened to learn of the passing of Dave on the evening of the 27 March following a fall at home and re-admission to hospital. He had spent a few admissions since before Christmas.

Our condolences and prayers to his wife Christine of 57 years and family on their considerable loss.

Dave had been an active part in the Cat Fancy for very many years, and a long-term member of the East Sussex Cat Club as well as being a committee member. He loved showing his cats in the HP and Ped Pet section of shows and had many BIS wins particularly with their latest girl Ella. He was a keen photographer and took many pictures of his cats and friends' cats at shows.

David and Christine were breeders of Burmese and Siamese under their prefix of Katzkorner.

He will be sorely missed. May he RIP.

Perri Mansaray
