

Sent on behalf of the GCCF Board of Directors

Dear Member/Former Member

The Exotic Cat Club Special General Meeting – Sunday 14th June at 2.30pm

The Exotic Cat Club has been suspended from the GCCF, therefore, the GCCF are stepping in to hold a Special General Meeting to try and support the club.

The agenda of this meeting is attached which lays out the process that will be followed to either elect new officers and committee members if there are sufficient volunteers or if the club will be found to no longer be viable and will wind up all their affairs.

GCCF have a list of current memberships, at present these members will be sent a link to the meeting 3 days before the meeting date of Sunday 14th June. If you are not currently a member but would like to support the club, you are able to do this by paying a membership fee of **£5.00** directly to GCCF using the details below:

Bank name: Lloyds

Account name: GCCF

Sort Code: 30-67-47

Account number: 43061160

Please quote 'Exotic CC membership' as a reference

Once you have paid your new membership fee, please email officemanager@gccfcats.org with your name and date of payment so I can add you to the list to receive the meeting link on Friday 12th June.

New memberships must be received by Wednesday 10th June.

We want to raise awareness of this meeting and gather support so the contents of this email will be shared on our website and social media channels in the coming days, but I would ask that if you know of anyone who may be interested in this information that you pass this on to them.

Kind Regards

Hannah Davies

Office Manager
