Barry Newcombe.

Was very sad to learn today of the sad passing of this wonderful man.

With his partner Sue Bloxham they took on Council to get the Sphynx recognised with GCCF and with help from others they got it. Woozles bred some stunning cats and I was lucky to own one.

He was on The Essex committee for a number of years and was Chairman for a while, his sense of humour kept us on our toes.

Our thoughts go to Sue at this sad time, she stood by him for so many years while he was not himself.

Rest in peace dear friend we will remember you.

Mo Vincent
Chairman
Essex Cat Club
9th August 2026

I was so sorry to hear today of the death of Barry Newcombe. Barry was instrumental in promoting and getting the GCCF to accept the beautiful Sphynx Cat.
