NOTICE OF CHANGE

An announcement on the GCCF website www.gccfcats.org and/or Scottish Show Cats on Facebook of any alterations made to the Schedule, or in these Rules and Regulations, shall be deemed sufficient notice thereof.

SHOW RULES AND REGULATIONS

This Show is held under Licence granted by the Governing Council of the Cat Fancy and is therefore subject to the Rules of the Council. A copy of the Rules may be obtained from the GCCF, 5 Kings Castle Business Park, The Drove, Bridgwater TA6 4AG, or from the GCCF website. All Exhibitors should be aware of the Regulations contained within Section 4 of the Rules; ignorance will not be accepted as an excuse for breach of the Rules.

SHOW ENTRY

It is your responsibility to ensure that the correct details, taken from either the Registration or Transfer Form, are given for your Exhibits, and that they are entered in the correct Classes. Where an Exhibit is jointly owned, **either** party may sign/tick the declaration. The Exhibitor must complete the entry form as stated on the registration/transfer certificate. Exhibitors are responsible for the correct description of the exhibits and for entering them in the correct classes. Please do not omit to read and sign the declaration. Exhibits must be entered into the appropriate Title/Breed Class and up to three other classes. Any cheques, which are not honoured (i.e., returned refer to drawer), will be subject to a £15 charge to cover any bank charges and administration.

REGISTRATION

No Cat or Kitten, Entire or Neutered, with one or both parents unregistered shall be eligible for entry into pedigree Breed Classes, these are entered in the Household Pet section. All Pedigree Cats, Kittens or Neuters are eligible for the Show if registered with the GCCF, except those on the Reference Register. Registration details can be obtained from the GCCF Office. All registered exhibits which have changed ownership, must have been transferred to their new owner AT LEAST 10 days before the show.

VETTING IN

Vetting In slips will be given out at the entrance to Vetting In. All exhibits must be presented to a Veterinary Surgeon for examination, between 8.00 a.m. and 9.45 a.m., prior to being penned. Please have the exhibits vaccination certificate ready to show to the veterinary surgeon.

Each exhibit must have clean ears and coats free from pests. No queen may be exhibited within 12 weeks from the date of kitting; neither may a pregnant or lactating queen be exhibited. No exhibit that has been de-clawed will be accepted; neither will male cats, which are either monorchids or cryptorchids.

Vetting-in envelopes will be given out on the day of the show.

All cats exhibited at this Show, which is held under GCCF Rules, must have a current certificate of vaccination against FCV, FHV and FPV ("cat flu").

The full primary course (first set of vaccinations) in accordance with the manufacture's recommendations must have been completed more than seven days before the Show.

Booster vaccinations against FCV, FHV and FPV must be given at the manufacturer's recommended intervals. Where a variable interval of 1 – 3 years for FCV and FHV is recommended the minimum interval applies. i.e., all cats attending shows MUST receive annual booster vaccinations against FCV and FHV.

For Boosters **ONLY**, note:

Exhibitors are advised to leave at least a week between a booster vaccination and show attendance to allow the vaccine to take effect and in case of any adverse reaction.

NOTE temporary variation to the rules w.e.f. 6.11.2021 - Every adult cat attending a GCCF show must have had a minimum of a Flu (FCV,FHV) booster in the 15 months and 7 days preceding the show. Cats whose last booster was given more than 15 months and 7 days before the show will be rejected under Section A.

Cats without a valid vaccination certificate will be rejected under Section A of the Veterinary Rejection form, unless the exhibitor undertakes to provide proof of vaccination, valid for the show, by sending the certificate to the GCCF Office within seven days of the Show. Failure to do so will lead to disqualification from this Show and the cat's name will be placed on the veterinary rejection list until proof of vaccination is received in the Office.

PLEASE NOTE: Homeopathic vaccinations are not acceptable for the purpose of showing.

Any Exhibit rejected at Vetting In, depending on the reason for rejection, may either be taken home, or placed in a Quarantine Pen away from the other Exhibits. If, in the Veterinary Surgeon's opinion, it is desirable for any other Exhibits from the same household, and/or in contact exhibits; and/or the owners/agents to be debarred from the Show, this will be enforced. Any exhibit rejected by the Veterinary Surgeon must be removed by its owner and the Entry Fees are forfeit.

Cats which show obvious signs of lack of attention to hygiene, have sharp untrimmed claws or in the opinion of the veterinary surgeons are in an unfit condition to show, must be rejected under Section A of the Veterinary Rejection form. Note: Exhibitors should be allowed the opportunity to trim claws prior to rejection but should not expect the veterinary surgeons to do this for them at vetting in.

Owners are responsible for the cost of any veterinary treatment required by their cat(s) in their absence from the show hall.

VETERINARY CLEARANCE CERTIFICATES

Where an exhibit has been rejected or disqualified by a Veterinary Surgeon, the Show Managers shall obtain from the vet the reasons and accordingly notify the GCCF, ensuring that a copy of the rejection form is given to the exhibitor concerned.

Exhibitors whose cats have been rejected at Shows please note the following points:

- 1). When sending your clearance certificate to the GCCF Office, please include your copy of the rejection slip.
- 2). Exhibitors should not attend Shows until they have received a letter from the Secretary confirming clearance. It is recommended that this letter be taken to Shows within a month of the issue of the clearance letter.

The Duty Vet's decision is final.

NOTICE TO ALL EXHIBITORS

The Committee reserve the right to :

- (a) Appoint other Judges should those advertised be unable to fulfil their engagement; and to appoint further Judges if deemed necessary.
- (b) Cancel, amalgamate, or divide Classes.
- (c) Disqualify any Exhibit entered in the wrong Class.
- (d) Refuse a Show Entry, without giving a reason.
- (e) Refuse admission to the Show Hall, without giving a reason.

Exhibitors should also be aware that :

- (a) In the event of an Exhibit being unable to attend the Show due to illness, provided that a Vet's Certificate is received by the Show Manager at least seven days prior to the Show, a refund of 50% of the Entry Fee (excluding Benching Fee) will be made.
- (b) All Exhibitors property is left in the Hall at the owners risk.
- (c) No Exhibitor may remove any official Notice from an Exhibits Pen.
- (d) For Sale signs are not permitted.
- (e) Exhibitors may be liable for the cost of Veterinary treatment required by their Exhibit.
- (f) The Committee STRONGLY recommend that an individual carrier is available under each exhibits Pen.

PENNING OF EXHIBITS

Once admitted into the Show Hall, no Exhibit may be removed without the permission of the Show Manager. Exhibitors must vacate the penned area of the Hall on commencement of Judging at 10.00 am, **having ensured that their Exhibit and its Pen conform to Show Rules**; and may not return, unless requested, until 12.30 p.m.

Each competitive exhibit must be provided with a white sanitary tray and a clean plain white or near white blanket or blankets without distinctive marking or edging, which may be arranged in such a manner as to assist the comfort of the cat. Cellular blankets are not allowed, but white vet-bed or like material may be used if preferred. A hot water bottle or heat reflecting material, or a cool pack may be used, provided they are covered by the blanket, in accordance with GCCF Rules. Any other form of heating will lead to disqualification. All exhibits must have water, but food containers must be removed when judging commences at 10.00am and may not be returned until 12.30pm. Judges are instructed to pass any pen that is distinguished in any way.

Other than official notices or awards cards, no written or printed matter may be placed on competitive pens. Exhibition Pens only may be decorated and may carry printed matter relating to the exhibit. Exhibits actually received into the Show Hall cannot be removed without sanction of the Show Managers. They are only received on the condition that the Club shall not be held responsible for any loss or damage to exhibits, boxes or baskets or in any other way.

Any exhibit prepared for show in any artificial manner which changes its appearance relative to the Standard of Points shall be disqualified by the Show Manager as there had been a breach of the rules. Such preparation includes the uses of powder, dyes, other colouring or whitening or darkening substances, or any oils or greasy preparations, or any other cleaning substances which remain in the exhibits coat during the show, it also includes trimming, clipping, singeing, or rasping down of the fast coat. Any treatment to change the temperament of the exhibit, such as skullcap and Valerian is forbidden.

COUNTERSIGNING OF CERTIFICATES

In the event of a change of judge of a Title/Breed class occurring after the closing date of the Show and provided that the exhibitor informs the Show Managers prior to judging that a Certificate has previously been awarded by the replacement judge, the Show Managers shall appoint one other judge who shall judge the cat and if the cat is considered worthy, countersign the certificate, which shall then count towards championship status. If the replacement judge at the first show has also been previously booked for a subsequent show, the closing date of which is before the date of the first show and where the actual entry has been made and received before the date of the first show, then at the subsequent show this judge can be considered as a replacement judge for the purpose of requesting a countersignature. When a cat, which has been awarded a certificate at the Supreme Show, is entering under the same judge for the equivalent certificate, during the following three months, then at one subsequent show this judge can be regarded as a replacement for the purpose of requesting a countersignature.

JUDGES

Judging will commence at 10am. Judges are empowered to withhold any prizes or championship in any class, if the exhibits do not in their opinion, possess sufficient merit. Prizes will be awarded from the judge's slip, not from any catalogue or prize card. In the event of a change of judge of a Title/Breed class occurring after the closing date of the show, and provided that the exhibitor informs the Show Managers prior to judging, that a certificate has previously been awarded by the replacement judge, the Show Managers shall appoint one other judge who shall judge the cat and if the cat is considered worthy, countersign the certificate, which then counts towards championship status. The show will close at 5pm or earlier at the Show Managers discretion. No cat may be removed from its pen before this time. Any exhibitor interfering with or removing any cat from its pen during the Show, except with the consent of the Show Managers, will forfeit any award that may be due to his or her exhibit. Exhibitors must leave the hall at 10.00am and not return until 12.30pm.

THE COMMITTEE RESERVE THE RIGHT TO:

- a) Appoint other judges should the advertised be unable to fulfil their engagements and to appoint further judges if deemed necessary.
- b) Fix and limit the number of exhibits at the show and refuse entry without giving a reason.
- c) Cancel, amalgamate, or divide classes.
- d) Disqualify cats entered in the wrong classes by the exhibitor.
- e) Refuse admission to the Show Hall without giving a reason.
- f) Retain a percentage of the entry fees to cover essential expenses, in the event of the Show being cancelled for any reason.

FOR YOUR INFORMATION

- 1) No Kitten shall be exhibited under the age of 14 weeks. This also applies to Household Pet exhibits and litters for Exhibition.
- 2) Any Cat or Kitten, which in the opinion of the judge, is very under-developed or in poor condition, shall be disqualified from competition.

BITING AT SHOWS

Any cat biting or inflicting injury by deliberately scratching a judge, Veterinary Surgeon, Steward, or any other show Official must be reported to the Show Managers. The Show Managers must withdraw the cat from the show and inform the owner of the cat in writing sending a copy to the Secretary GCCF for consideration by the Executive Committee. If the cat is reported at any subsequent show, it shall be disqualified from all future shows unless the Executive Committee rule otherwise.

The show is scheduled to close at 5pm but **MAY** close earlier at the Show Manager's discretion. **NO CAT MAY BE REMOVED FROM ITS PEN PRIOR TO THIS TIME**, other than by Judges, Stewards, the Duty Vet or an Official. Exceptionally, the Show Management may give permission for early removal from the Show, if a prior written request has been received, or if there are specific "emergency" circumstances on the day. Please do not ask for early withdrawal, because you have a long journey home!

ENTERING THIS SHOW MEANS YOU AGREE TO COMPLY WITH THIS RULE.

CORRESPONDENCE

Any complaint relating to the show must be sent to the Show Manager in writing within seven (7) days of the close of the show.

Please enclose a stamped addressed envelope for reply.

STATUS OF ERRORS WHAT TO EXPECT

MINOR ERRORS

These warrant a notification for your reference if the error occurs more than once, and it is apparent that registration details were available at the time of entry or before the date of the show. Continuous repetition of the same error after notification will be referred to the Executive Committee.

Examples of minor errors include:

- (a) spelling errors
- (b) separation of cat's names that should be one word, and vice versa
- (c) administrative/breeders prefix omitted from exhibit's name or partially incorrect name given for exhibit
- (d) overseas title preceding the name of an exhibit, sire, or dam, etc.
- (e) full breed number known but not given
- (f) sire's or dam's names transposed or incorrect
- (g) breeder joint when should be single, and vice versa

INCORRECT DATE OF BIRTH

This is usually classed as a minor error unless it affects an entry into classes based on age groups, when it could warrant disqualification of the exhibit from such classes; but if the incorrect date of birth affects the age suitability as a whole, then the exhibit will be disqualified from the show.

N.B. AGE LIMITS: Kittens not less than 14 weeks and under 9 calendar months on date of show
Adults not less than 9 calendar months on date of show

INCORRECT OR INELIGIBILITY OF CLASS ENTRY

These will be disqualified from the class concerned so always check with the Show team if in doubt about which class to enter. If a breed number is changed officially, it is important that you notify the Show Manager immediately. Exhibits entered in the Grand, Imperial Grand or Olympian class must have qualified on or before the published closing date of the show and the title must have been claimed in writing. Exhibitors who enter Grand, Imperial Grand or Olympian classes without claiming the title will be reminded once, but if the title remains unclaimed the cat will be disqualified from this class at subsequent shows.

CATS REGISTERED ON THE REFERENCE REGISTER

Some cats registered on this Register are not eligible to be shown and, therefore, these entries could be disqualified.

The only exception to this is when a new breed becomes recognised, and then cats of the breed may be shown, even if they are registered on the Reference Register as long as this was the only reason for the Reference registration.

Exhibitors may appeal against any disqualification resulting from show checking, giving their reasons. The appeal will be referred to the Board if considered valid and, if not, a letter of explanation will be sent to the exhibitor(s). The above advice, however, is aimed at keeping your show entries trouble-free.

PLEASE MAKE SURE YOUR CATS CLAWS HAVE BEEN CLIPPED BEFORE YOU ARRIVE AT THE SHOW. IF CLAWS ARE NOT CLIPPED, YOU WILL BE TURNED AWAY AT VETTING IN TO GO AND CLIP THEM.

SMOKING OR VAPING IS NOT PERMITTED IN THE SHOW HALL

**John Wright Leisure Centre Calderwood Rd, East Kilbride,
Glasgow, G74 3EU.**

Leave the M74 at Junction 5, take the sliproad just before the main junction to the A725 East Kilbride Expressway.

Stay on the A735 for several miles.

Eventually the A725 will meet a large ringroad.

Take the LH turn that says Kingsway.

Follow the road for one junction and turn into Calderwood Road.

The venue will be on your left.
